Overview of CHILDLINE - JORHAT activity

CHILDLINE JORHAT has played a very remarkable role in every aspect, where it responds to every child who dials 1098 and provides emergency assistance through intervention and long-term follow up.

Operational Strategy:

The Collaborative Organizations respond to all incoming calls, 24 hours a day and provide necessary assistance. The Collaborative Organization also responds when a concerned adult informs about a child in need of care and protection.

The primary role of the CHILDLINE Nodal Organization is to ensure effective networking and training of organizations associated with CHILDLINE. The nodal organization ensures that the issues faced in responding to calls are addressed for effective functioning of the service.

CAMPAIGN OF CHILDLINE -

“WHEN U SEE A CHILD IN DISTRESS CALL 1098”

CHILDLINE Case Intervention: - CHILDLINE JORHAT intervenes to all call came in 1098 which comprises of providing medical assistance, counselling, linking children to shelter, restoring children to home, tracking missing children, intervening with children who has been physically or sexually abused, and other interventions related to violation of child rights .

Challenges :

- Facing problem for intervention in various cases due to the pandemic situation of COVID-19
- Due to the pandemic situation of COVID-19 the CHILDLINE team unable to conduct open house program & awareness program in schools especially from the month of April to May 2020.
- Lack of coordination with DCPU of other districts.

Secretary
