President's Message

I thank the Almighty for giving me the opportunity to be the Founder and Life President for serving Indian National Portage Association (INPA) for more than four decades, formally or informally, with sweet, sour and salty experiences during the period. We have been implementing Portage Evidence Based Services in India with its wings spread to several Countries through its Projects and Services Supported by International Organizations such as UNICEF, British Council, Shastri-Indo Canadian Association, World Rehabilitation, Japan Portage Association etc. Also INPA spread its Services through National and State Bodies such as National Trust of India, Rehabilitation Council of India, UGC, ICSSR, NCERT, DSW Chandigarh etc. with a grand total of more than 40, 000 beneficiaries to its credit.

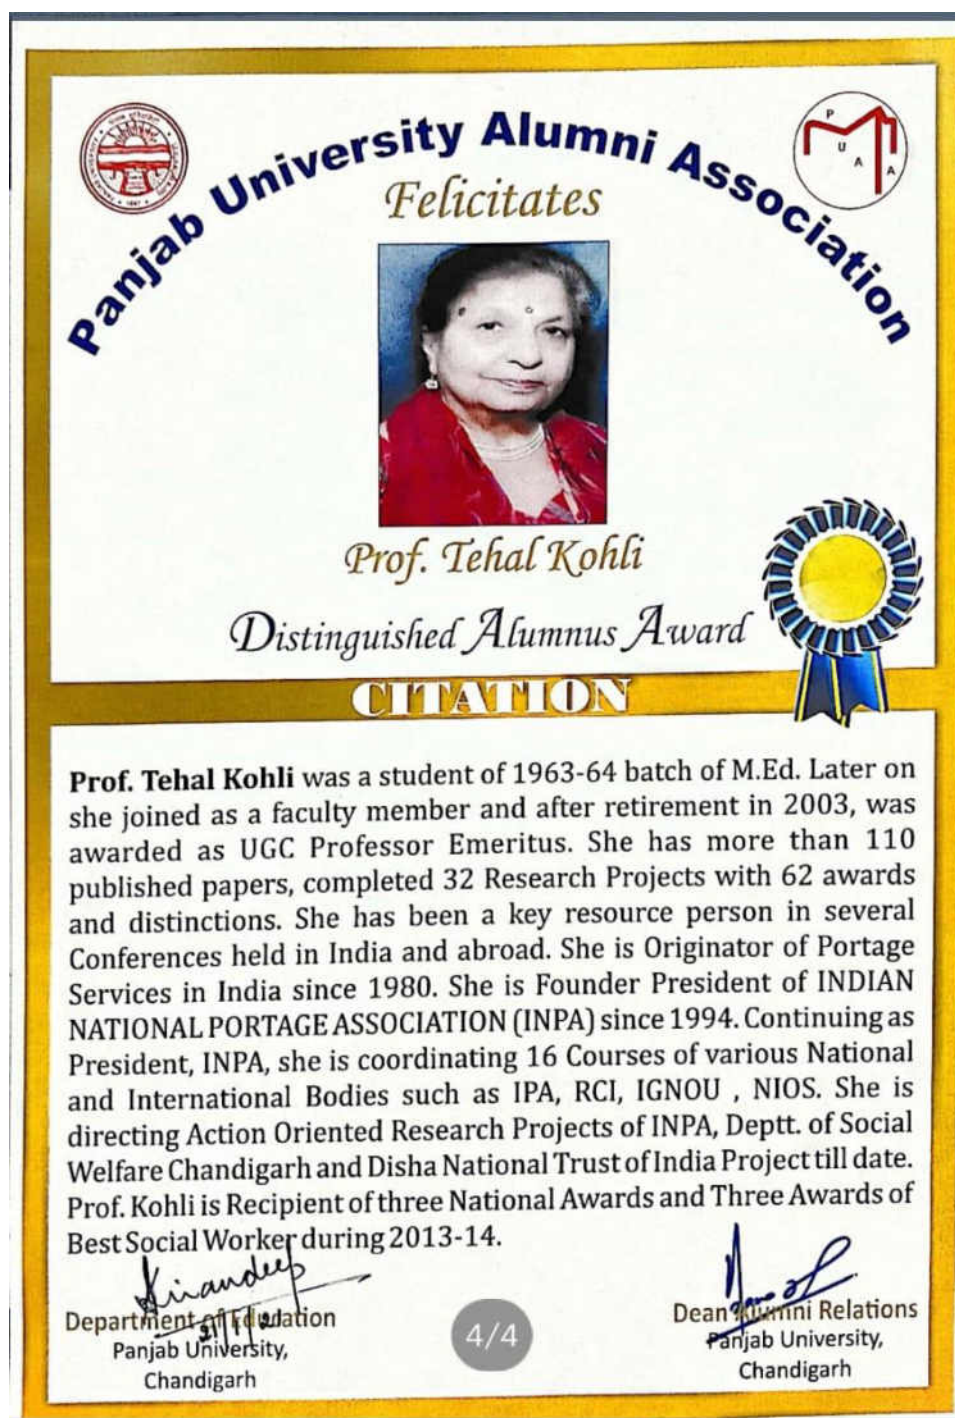

While releasing this 36th Annual Report of INPA, I feel elated to express my gratitude to all Educational, Professional Experts associated with INPA as Advisors, Board Members etc. helping us in the area of dealing with BOP population, Special children, intellectually deficient children , learning disabled children and their trainer in one form or the other . We have fully justified ourselves in Teaching , Research and Service providers to the needy through cost effective ways and means as far as possible.

We have waded through adverse effects of Covid-19 during 2020-2021 through several initiatives taken by our IT Manager - Mr. Rajiv Khosla. Hats off to his efforts. With these words, I end up with my prayers to the Almighty for the best of times ahead.

Prof. Dr. Tehal Kohli

Professor & Chairperson (Retd.) Emeritus Fellow &
Founder President Indian National Portage Association (INPA)

Awards in 2020-2021

President of INPA Prof. Dr. Tehal Kohli has been awarded with
Distinguished Alumnus Award on 22nd Jan, 2021 by
Department of Education Ex-Students Association (DESSA) in its Virtual Global Meet

Introduction of Indian National Portage Association (INPA)

INPA was born out of Portage Movement that was initiated in India in the Department of Education of Panjab University at Chandigarh in the year 1980. INPA (Indian National Portage Association) as a registered organization came into being on March 30, 1994 (vide Regd. No. 2282) as part of a mandatory requirement to celebrate 5th International Portage Conference held in Hotel Ashoka, New Delhi. Further INPA was granted Tax Exemption under section 80G of The Income Tax Act, 1961 in the same year, which was later followed by registration under FCRA.

INPA today is well renowned nationally and internationally for its work for its extensive work and activities for special children and its research based special education. INPA is registered with various Ministries of the Government of India (fourteen in all) and its Departments and other NGOs such as Rehabilitation Council of India, National Trust, National Institute of Open Schooling and Central and State Social Welfare Boards, SOSVA and British Council.

INPA today is well established and has 14 Patron Members, 4 Corporate Members, and 4 Institutional Members and approximately 500 life members.

INPA is an affiliate of International Portage Association, USA. IPA active in 130 countries is a focused group of professionals, parents & individuals interested in research, service and policies related to children with or at risk of a disability and their families.

INPA is an action oriented, research services based Organization, dedicated to the welfare of children 'at-risk' of Developmental Delays / Learning Disabilities / Mental Retardation and Welfare of Women / Families. INPA is primarily dedicated to helping normalize children with or at risk of Developmental Delays, Learning Disabilities and Mental Retardation / Intellectual Disabilities as well as helping their families and also offer special need-based education and training for other segments of society.

**BIG
JOURNEYS
BEGIN
WITH
SMALL
STEPS**

Our Partnering Organizations & Departments

INPA works with the support of numerous local, national and international level bodies at various levels, without the support of whom we would not have been able to deliver the vision set forth by the Govt of India and its respective welfare departments and other welfare organizations.

Our Gratitude & Sincere Thanks for the Support

With Gratitude to our Guest Faculty & Consultants from:

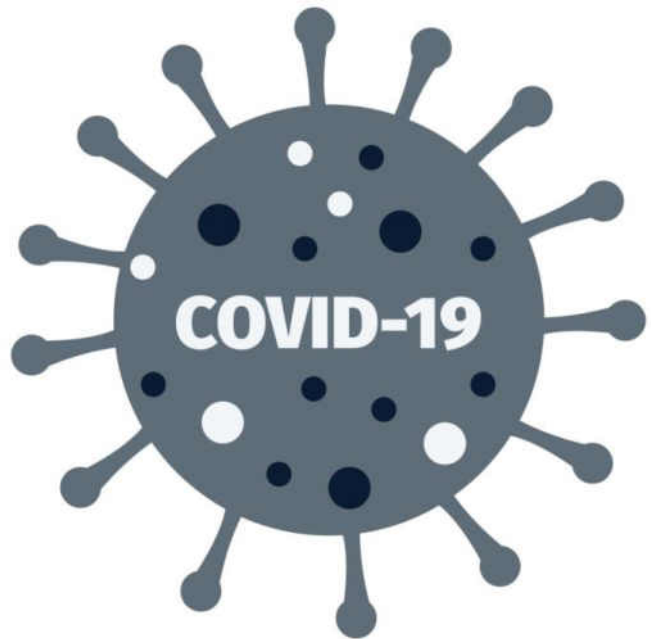

COVID-19 Impact & Our Fightback

IMPACT

The onset of COVID brought unprecedented challenges for the humanity as a whole. Never before was the world locked under masks and global lockdowns for months.

INPA as others was faced with numerous challenges to carry its welfare activities for special children & to carry forward our daily work in the slums and backward areas of Chandigarh. Our courses and classes were forced to be taken off by closure orders from the authorities.

RESPONSE

We understood that COVID was here to stay for long, and we had to reinvent to carry forward our work that we have been doing as a mission for decades.

From collaborating online from homes, reaching out to underprivileged children remotely to taking our classes remotely, our teachers and technology team did and exceptional job in switching from offline to a fully functional agile offline office system, enabling us to continue with our work with minimum disruptions.

COVID Initiatives by INPA

Necessity is the mother of Invention, it holds true with the changes humanity had to undertake to tide through the worst phase of COVID.

INPA which had always held classes with a hands on approach was left stunned with the announcement of lockdown in March 2020, with most of our services held in colonies and backward areas of Chandigarh. Having left with no other option than to rethink and to think out of the box we started step by step to accommodate ourselves to the changed circumstances.

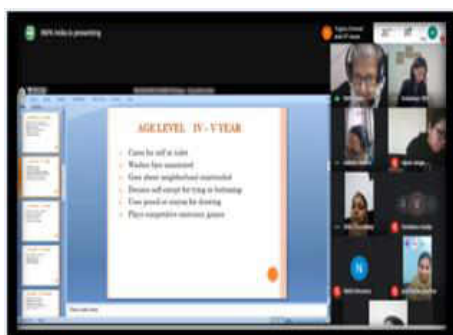

After much deliberations and out of the box thinking of our tech team we started to build our work using online approaches, and what came out as a result is something worth sharing in this report. Following are new initiatives we took during COVID phase.

**Creation of
250 Portage Training Videos Kit**

**E-learning and Online Classes
for our Courses**

**2 CRE Programs
as sanctioned by RCI**

**Awareness Generation Programs
Using Social Media**

OTHER NEW INITIATIVES AT INPA DURING COVID-19

250 PORTAGE VIDEOS TRAINING KIT

We turned the challenges thrown by the COVID pandemic into great opportunities by converting approximately 250 portage skills into live training videos. The brainchild of Prof Tehal Kohli which was conceptualized by her years ago, saw the light of the day during the pandemic with the help of some great volunteers from **WeCare Team from NMIMS Pune** under the technical supervision of our IT Manager Mr. Rajiv Khosla. With very limited financial budget this is a path breaking achievement of INPA during the pandemic as it will promote Portage training like never before in the years to come.

ONLINE HELPDESK / INTERNET BASED

Fully automated online helpdesk for the support of students. Students inquiries are handled online, and we record a database of students who have inquired about our courses and the inquiry is forwarded to our office staff, who then respond to the inquiry. In the second stage all interactions i.e via email or phone etc with the prospective students will be recorded.

WHATSAPP HELPDESK:

With Whatsapp being the most used platform for social communication on the internet, we have set up two lines of mobile helpdesks. Students can interact with us on our fully automated Whatsapp number and their queries are sorted out. Currently one line is active and other will be activated in September itself. So far we have received around 100 inquiries on Helpdesk.

TELEGRAM CHANNEL

We have also started a national level Telegram Channel for INPA where students past and present can interact with us about new courses or subscribe to our latest updated. It will serve as a medium for one side transfer of information like a news center of INPA. It also serves as a medium from which anyone can subscribe to our channel and can stay updated with the latest trends in Special Education and Disability research.

<https://t.me/inpained>

FACEBOOK AWARENESS GENERATION CAMPAIGNS:

We have also increased our promotions on facebook and other social media platforms. Using facebook we are able to reach to a large number of our alumni members.

TWITTER

We have now a INPA twitter account, and we are regularly promoting our courses over twitter. We have received over 50 inquiries in the last one month which is phenomenal and that too without spending a single rupee on promotions.

WEBINARS

We held various online webinars on Early Intervention / Disability etc during the year. We have fully set up editing and recording facility for webinars. Currently we are promoting our webinars through YouTube and Facebook also.

ONLINE CLASSES:

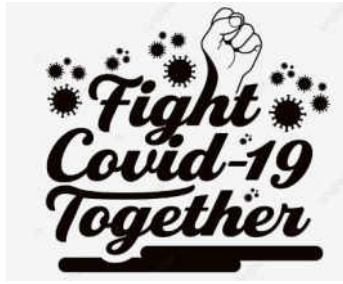

We have already taken on line classes for DECSE(ID) Course during May and June, 2020 . We are also in the process of starting online classes for other Copurses. The software for enabling the same has been set up on all our systems and we will be doing the trial run soon.

INFOGRAPHICS & CHARTS:

Informative infographics for special children, charts regarding various disabilities are created for students as well as special children. New infographics for the new initiatives at INPA are being made and also being circulated online on social media for the promotion of INPA.

ALUMNI DATABASE:

We have also started working on compiling our alumni database. This will be a very important part of our new marketing strategy. 2 years database is ready. This will later be used for promotion of our services.

Aims & Objectives of Indian National Portage Association (INPA)

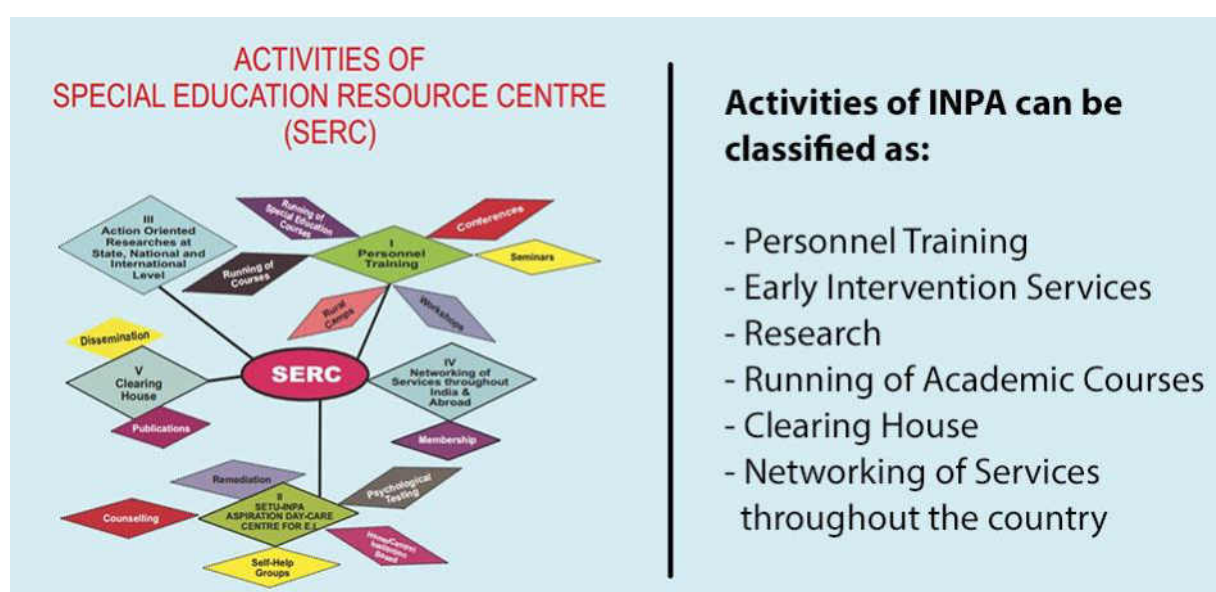

INPA is primarily dedicated to helping normalize children with or at risk of Developmental Delays, Learning Disabilities and Mental Retardation /Intellectual Disabilities as well as helping their families and also offer special need-based education and training for other segments of society.

It is primarily based on the premise that something more than simple humanitarian care is needed for such children and that Portage Home/Institution/Center Based Services and other Programmes can meet this need.

Its aims and objectives would help promote the National Education Policy 2020 and Subramanian Report, 2016 -17 which lays stress on Early Childhood Care and Education (ECCE) programmes through family and community involvement.

It also promotes aims and objectives of other National Bodies such as Rehabilitation Council of India (RCI), National Institute of Open Schooling (NIOS), etc for providing Education/Special Education/Human Resource Development and Services to special groups of children, disadvantaged BOP Population, unemployed youth etc In fact the National Policy on Education (NPE) is a policy formulated by the Government of India to promote education amongst India's people. The policy covers elementary education to colleges in both rural and urban India.

We cover many disabilities as recognized by RPWD Act 2016 especially focusing on 4 disabilities i.e: Intellectual Disability, Cerebral Palsy, Learning Disability, Multiple Disabilities

**Summary of Projects Undertaken by
Indian National Portage Association (INPA)
in the year 2020 – 21**

Pritika Project – Setting up INPA Institute for Early Intervention, Remediation, Counseling and Personnel Training in Inclusive Setting for Children with Various Disabilities in the Tricity of Chandigarh, Mohali and Panchkula.

Sanctioned by: Pritika Industries Ltd under CSR

(Detailed Reports submitted separately to the funding departments / organizations)

DSW – NPRPD Project – Setting up of Early Intervention Remedial & Counseling Center (SETU) for pre-schoolers in AWS of Bapu Dham Colony of Chandigarh

Sanctioned by: Department of Social Welfare

(Detailed Reports submitted separately to the funding departments / organizations)

DSW Grant-in-aid:

Sanctioned by: Department of Social Welfare

(Detailed Reports submitted separately to the funding departments / organizations)

Personnel Training Year 2020-21

AIMS AND OBJECTIVES

- Personnel Training through Diploma and Degree courses for which permission has been obtained by DSW, Chandigarh for meeting special needs of infants, toddlers, preschool and older children and their families as well as to train the trainers to implement these Services particularly in Chandigarh Tricity.
- To train the Professionals, Para-Professionals and Non-Professionals for delivering Portage and or Inclusive Education services to children from birth to 6 years of age, having developmental, learning disability and or mental handicaps as well as other handicaps
- To provide short term Personnel Training for Early Interventionists e.g. CRE programmes of Rehabilitation Council of India, workshops, rural camps etc.
- To run long term Personnel Training Courses of RCI & other National / International Bodies
- To train Professionals, Para-Professional & Non-Professionals for carrying on Inclusive Education Services at their Workplaces, Institutes, Homes as well as to carry on the services for the needy right at their doorstep.
- To conduct Innovative Researches in the field of Early Intervention.

Diploma in Early Childhood Special Education for MR / ID

The early childhood special education for MR focuses on children below 6 years of age and has various modes and avenues of imparting training based on the ability of the target group children. This requires training of manpower to be versatile in terms of reaching out to the families by being an itinerant teacher, management of based training program and management of children with disabilities in regular or special pre-schools in groups. The early childhood special educator for MR also is expected to work as member along with inter-disciplinary team for management of such children.

EARLY INTERVENTION CENTRE AT BAPU DHAM

- This focus on Prevention, Early Detection and Early Intervention on early childhood Disabilities up till 12 years.
- To have quantitative and qualitative evaluation of the effectiveness of Institution/Home/Centre Community based training programme for young children.
- Develop and maintain audio-visual aids and make cheap toys/play material out of low cost material and throw -away commonly available at home.
- Referral services of specialists in different fields such as vision, hearing, speech therapy would be involved in dealing with the clientele covered by the Institute/Resource Center.
- Running of Child Guidance clinic for actual short term/long term intervention programme will be prepared to cater to the special needs of different levels of mentally handicapped/developmentally delayed children and children with other disabilities.
- Using mass and electronic media for propagating Inclusive Education Programmes.
- To identify, diagnose and provide treatment/early interventions for any development deficits/ delays, mental retardation, learning difficulties, attention deficits, behavior problems such as those of aggressive or autistic children or children with various other disabilities.
- To prevent childhood disabilities as far as possible.
- Preservation of mental health by meeting crisis situations and promotion of fullest development of children with the objective of all round development of children by making them able and valuable children of the society.
- To develop independence, initiative, decision making, creativity, the ability to learn, develop feelings of self-worth etc.in infant's toddlers, and young children through their parents, siblings----family members as their therapists.

- To expand Inclusive Education services through CBR* network.
- To prepare pre-school children with disabilities for 'Inclusion and regular schooling stress would be on De-institutionalization /preventing Institutionalization of young children with deficits and delays.
- To build and strength linkages with INPA / PRITIKA / NGOs working in the field / community.
- To stress multidisciplinary approach while dealing with children
- Provide services through CBR* network
- To start with Abilympics, i.e., vocational skill competitions for persons with disabilities to enable them to showcase and enhance their talent. Abilympics empower the persons with disabilities and help create public awareness about their abilities. Disabled are, in fact, differently abled.

Work done in Babu Dham (Before COVID)

- Gathering information about all the Aanganwadis in Babu Dham Colony with the help of volunteers and teachers.
- Profiling of kids coming there.
- Conduction psychological tests on children to figure out the Mentally Retarded children among them.
- Test like Development Screening Test (DST) was conducted on almost 300 students of the Aanganwadis.
- Interaction with the Aanganwadi teachers, workers and parents of the children, and appraised them of latest methods of profiling / data sampling etc.
- A weekly report of the activities done was maintained.
- Then the final scoring and interpretation was done. Results were discussed accordingly.
- Further tests like Colour Progressive Matrices (CPM), Seguin Form Board were conducted on children who didn't pass the DST test.

- Problem Children.
- Plans to extend services for 'Inclusion' and for other Categories of Handicaps / Disabilities / Special Needs children.
- Children with early intervention, educational, vocational and personal guidance needs (birth-18 years).
- Children needing remediation.

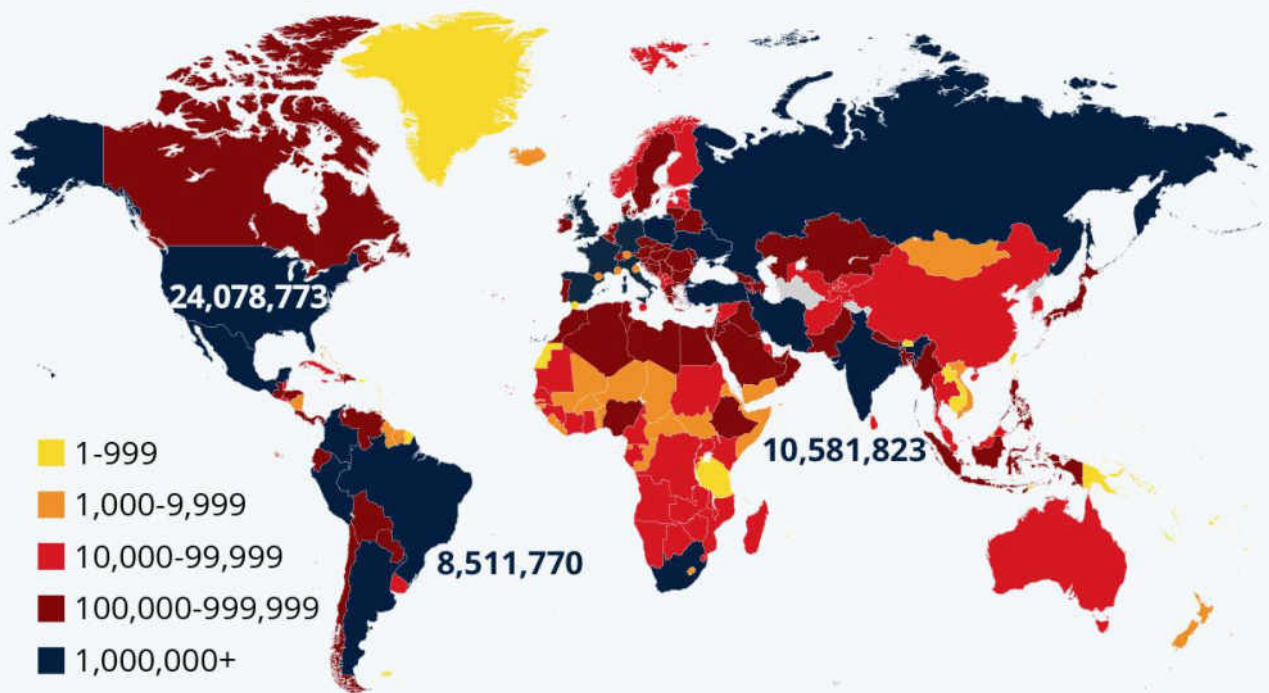

Glimpses of 2020 – 21

2020 has been an exceptional year, one with unprecedented COVID-19 global pandemic & subsequent events that left an indelible impact on our lives and forced us to reexamine our priorities. This was also a year of many new beginnings, innovations, and breakthroughs, aided by courageous efforts from across the education & technology ecosystem. In this passage we reflect upon what this year has meant.

COVID PROTOCOL ADHERANCE NOTICE BY INPA

For the notice of all observers of this report, it is brought to your knowledge INPA followed all protocols as specified by the Chandigarh Administration from time to time during the pandemic lockdown stages as well as the time that followed. All events were curtailed than usual strength or we celebrated online as per directions of the UT Administration.

Classes / Meetings etc have either been taken online as per protocols fixed by Administration. At our office also all due precautions were observed as per directions of relevant administrative authorities.

FORM NO. 10B

[See Rule 17B]

**Audit Report under section 12A (b) of the Income-tax Act, 1961 in the case of
charitable or religious trusts or institutions**

We have examined the balance sheet of M/S INDIAN NATIONAL PORTAGE ASSOCIATION AAAT10612A [name and PAN of the trust or institution] as at 31/03/2020 and the Profit and loss account for the year ended on that date which are in agreement with the books of account maintained by the said trust or institution

We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of the audit. In our opinion, proper books of account have been kept by the head office and the branches of the above-named trust visited by us so far as appears from our examination of the books, and proper Returns adequate for the purposes of audit have been received from branches not visited by us subject to the comments given below:

notes to accounts

In our opinion and to the best of our information, and according to information given to us the said accounts give a true and fair view: -

- i. in the case of the balance sheet of the state of affairs of the above-named trust as at 31/03/2020
- ii. in the case of the profit and loss account, of the profit or loss of its accounting year ending on 31/03/2020

The prescribed particulars are annexed hereto.
