ANNUAL REPORT 2019-20

Activities of Manovikas 2019-20:-

Institution Manovikas school of mentally retarded multiple disabilities was established in the year 5th July 1989 on the on day festival (Ratha Yatra) under the sponsorship of AIWC South West Odisha. On the first day 10Nos of boys and 7Nos of Girls were taken admission. They were multiple disabilities and mentally retarded.

The activities of Manovikas is given skill training to the enrolment student and given guidance and counseling to the parents and other group society.

Subsequently this Institution is extended its service into tribal districts of Southern Odisha. Manovikas had organized awareness programmes in 10 southern districts. It is creating awareness among the tribal mothers and parents of disabled children regarding prevention and upbringing of the special children.

Contribution RPD Act:-

The Ministry of Social Justice and Empowerment, Government of India convened the National Consultative Meeting on 1st July 2006 for suggestions of Amendments to the persons with Disabilities Act, 1995. Mrs. Narmadaa Parhi President, Manovikas proposed the following suggestions for amendment of the Law appropriately.

- i. Upper age relaxation for education and training of mentally retarded children should be on the considerations of the mental age of the subjects.
- ii. Awareness generation through mass media to prevent and control the birth of mentally retarded children. "The womb has a right for protection" should be mandatory.
- iii. Reform the definition of multiple disabilities occurring in different combinations in a single person so as to categorize them distinctly for different purposes.

Project Programmers: (Year19-20)

Our Institution Manovikas (GEMM) works with regard to spread out the knowledge among the parents and the community about Pre-natal, Per- Natal, Neo-natal care of the baby. Every year after the admission of the students case history, intervention programme and assessment were done by the special educator's for the new coming student's and programmer planning were done for the students.
