PREFACE.....

I am very excited to present before you ANNUAL REPORT of the academic year 2019-2020. Various curricular and co-curricular activities were conducted in school to enhance overall development in students.

Many activities, interschool competitions, celebrations, field trips were carried out to make students aware of social norms and help them to adjust in society. Field visit of senior class students was taken to Keshav Seva Sadhana's vocational training center-Bicholim, to show activities conducted in other school, and to learn and implement any new tasks followed by them in our school.

Class wise and common parent- teacher meetings were held as per the schedule. Parents were involved and trained to take some speech, occupational and physio therapy activities at home.

'GEET RAMAYAN MAHANATYA' was a feather in cap ,which involved whole Lokvishwas as a unit and presented a fantastic event, with tremendous efforts of student ,teachers, parents and the director .This mahanatya was appreciated all over Goa and a history was created.

Academic year had to be stopped in mid March due to COVID-19, as it badly affected the people all over the world. As our Government decided to lockdown the state,

regular school, activities, exams, night camp, summer camp, had to be cancelled. This surely affected the students progress but we were helpless.

But I will try my best to plan and implement innovative ideas and activities to overcome the loss and will hope to start the new academic year with full positive energy to see overall development of students and to improve tone of the institution.

Mr. ARVIND KUNDALIK MORE

(HEADMASTER)

Lokvishwas Pratishthan's SPECIAL SCHOOL Dhavali Ponda

This is a school .. for special children, which involve intellectually disabled, learning disabled, ADHD, autistic, physically challenged , sensory impaired and many more associated disabilities.

Each child is very special and we look into proper assessment, training and development of each child. This task is taken up by a multidisciplinary team which involves Management, Headmaster, Special Educators, Therapists-speech therapist, physio-therapist, occupational therapist ,art teacher, music teacher, sports teacher, psychologist, helpers, and all office staff.

We also are thankful to social groups ,volunteers, donors,facilities , faculties, and team of doctors who are always our support and guide us for better development of our institution.

SPECIAL EDUCATION

As this is a Special school ,daily routine is planned to help child acquire maximum benefits of being here.

The day starts with <u>morning prayers</u> {8 manache shlok, Hich amuchi prarthana prayer} telling and changing day date on notice board, and singing national anthem with audio support of music and recording so that it helps them to be in tune and the music starts the day with positive energy.

It is followed by <u>Birthday celebration</u>— if any of student, and small <u>functions</u>— if any prizes are won by students out side school for any competitions, which motivates them and also other students.

Students go to their respective <u>classes</u> as they are divided according to their age and ability in Care group, Preprimary, Primary I ,II and III, secondary, Prevocational I,II,Autism and Vocational classes.

The grouping is done by <u>assessing</u> child at the beginning of the academic year by using the checklist developed by our teachers. <u>Annual Goals</u> (syllabus) teaching aids and material is made by teachers for teaching.

In the classrooms student teacher ratio is 8:1 for mild and moderates, and 4:1 for severe and profound students, helpers accompany teacher wherever necessary.

<u>Group teaching and IEP'S</u> are taken to teach various skills like Personal [(self help) toileting dressing ,grooming,eating, drinking etc.] ,Social, Occupational ,Domestic ,Recreational, Prevocational, Vocational orientation etc.

IEP'S are planned for those who need more of one to one teaching or some personal skills or personal attention.

Each special educator <u>assesses</u> the child 3 times in a year i.e. baseline assessment, 1^{st} term assessment and 2^{nd} term assessment. Planning of annual goals, implementation, evaluation and maintaining records of each <u>child's progress</u> daily, monthly half yearly and yearly is done by each teacher.

<u>File</u> of each child is updated regularly and progress, suggestions are discussed with parents in class wise and PTA meetings.

After academic and co-curricular activities we wind up the day with <u>assembly</u> by singing patriotic song -Bala sagar bharat hovo... and finally students disperse in queue to their respective buses.

Along with Special Educators <u>MULTI-DISCIPLINARY TEAM</u> that supports the development of child are:-

1} SPEECH THERAPIST: Mr Balkrishna Shinde takes speech therapy for students, as he takes personal sessions to improve receptive -expressive language, oral massages are given, communication skills , vocabulary etc are focused. Students benefit from the sessions and development is seen with follow up from the parents and teachers.

<u>2} PHYSIOTHERAPIST:</u> Dr. Gauri Wagh Kamat (daily)and Mrs. Purvi Pai (on alternate day)work as Pediatric physiotherapist which is very essential for optimal development of our children. It plays a very important role for improvement of their posture, increase fluidity of movements, enhancing balance and coordination and most importantly prevent any developing contractures. The physiotherapist specifically works to improve their range of motion, strength and mobility of ribcage to improve breathing and hence lung volume.

The student receive physiotherapy according to their level of impairments. Individual sessions are conducted to target specific goals formed according to each child after structured assessment. Group sessions are conducted for weight training as well as to improve activity level of child.

<u>3} OCCUPATIONAL THERAPIST:</u> Mr. Amit Karwande ,held group as well as personal sessions of occupational therapy ,according to need and requirement to built self confidence, group behavior, mental health and physical development. He held sessions for parents and also made them to continue the tasks at home to see better results.

<u>4} PSYCHOLOGIST:</u> Ms. Sukanti Gaonkar, a clinical psychologist assessed the students in need. Sessions were planned play to dance, from dance to music, and than to art therapies were implemented on the students that were referred by

parents and teachers. She also took workshop for teachers and counseling sessions for parents.

<u>5} ART TEACHER:</u> Mrs Shweta Chari -Art teacher focuses on teaching students different types of printings, paintings, drawings, and colorings and make life of students colorful.

<u>6}MUSIC TEACHER:</u> Mr Shivdas Chari tried to train 15 students in Ghumat and Shamel instruments, from handling to playing it skills taught gave them mental relaxation ,improved listening skills, memory, motor co-ordination, etc. and made them happy. 7 of them participated in Ghumat Arati Mohatsav and 4 students took part in Suvari Vadan at NAB, Panaji.

7]PHYSICAL EDUCATION TEACHER: Mr Suresh Naik , physical education teacher takes different games like badminton, tennis ,ball games, bocce, skating ,carrom, chess, ringostik etc. for students regularly. Students enjoy game period and physical and cognitive development is seen with lot of fun.

8 COMPUTER TEACHER: Mr Sushan Gholkar teaches elder students- Parts of laptop, their use, some skills like how to operate MS Word, paint brush, to open close and save files etc. Students enjoy sessions of computer, which improves fine motor and cognitive strengths of students.

<u>9} HELPERS/AAHYAS</u>: The non teaching staff plays a major role in maintaining cleanliness of the classrooms, toilet and premises of school, which plays a important role to keep students healthy. They also help to toilet train students, clean them whenever necessary and also wash the utensils used at Tiffin time by students.

<u>10} PARENTS:</u> The main support to help the school grow are the parents who bring their child to school inspite of facing lots of difficulties like transport, health issues ,aging of parents , growing weight of child who needs to be carried,, etc. etc. And the constant support that they give us to conduct various celebrations , functions and activities across the year.

INNOVATIVE ACTIVITIES

> First day activity

On 06th June 2019, school reopened for the academic year 2019-20.

All students were welcomed with craft activity; all members present gave their hand print on the front staircase wall of the school.

After long vacation of 2 months Students forgot some skills taught in the previous year to revise the skills in a entertaining way. Mrs. Savita Dessai with support of Mr. Arvind More planned tomogram was a fun way to revise the craft skills and to dip hands in color and print it on the front wall of the school. Tomogram is a making 7 pieces of a square paper and rearranges it in different ways to improve hand functions, fine motor Development, and color concept &eye hand coordination.

> WATERPLAY

Water play gives opportunity to improve fine as well as gross motor skills of children & also help to develop eye hand co-ordination through activities like pouring, scrubbing & squeezing.

Water play was executed in our school by Mrs. Sakshi Thakur with support of staff Mrs. Bhakti Shirodkar & Mrs. Deepti Naik for students of age below 12 yrs. on 28th June 2019.

Activities like passing water balloons, pouring water, squeezing sponge, splashing water, bottle fountain, playing in rain water, & most enjoying part was rain dance were held to give sensory stimulation to children.

> <u>SELF DEFENCE</u>

On Thursday 11/07/219 "Self Defense "workshop was held for senior students.

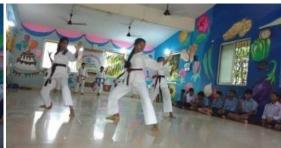

Faculty for the workshop Mr. Deepek Kurade presented many demonstrations of self protection with support of his trainees from other schools. He also explained about what are

self defense, different technique, and easy methods to defend self. He also taught simple technique to our students how to protect self from somebody who attacks you.

He also demonstrated certain technique by using sticks, chain.

From this activity our teachers Mrs. Radha Alawani, Mrs. Shanti Upadhye and Mrs. Tanvi Chavan, demonstrated and gave firsthand experience to students of how to use our body parts like hands, legs to defend self from enemy.

> FIELD VISITS

Firsthand experience is always very useful for development of any person

*Senior group (of 44 students & 06 staff) Pre voc II A, B & C & vocational A, B, C) classes went for 1st field trip at Kodar agriculture farm. Mr. Omkar Dessai gave information about various plants and seplings. This visit helped us to make our children aware of different plants and their uses & importance in our life.

Field visit was held under guidance of Mrs. Rina Nadkarni, Mrs. Dish Wadkar, Mrs. Shanti Upadhye & Mrs.Radha Alavani, Mrs., Sakshi Thakur & Mr. Shivdas Chari.

*Junior group (Pre Primary, Primary I, II, and III & Autistic class were taken to St. Anne's Church – Ponda. On19/07/2019. Student's saw of St. Anne's church father Mr. Tony gave information about church and its historical background.

DAY CARE CENTRE

Lokvishwas Pratishthan's Day Care centre is an established set up for the differently abled over the age of 21 years functioning since last 10 years. It was set up so that our children with special needs are employed gainfully under the guidance of special educators. The children often require special assistance & guidance hence cannot be employed independently. This sheltered workshop provides them with an opportunity to occupy them productivity which helps to improve their mental health and gain self confidence.

These students are trained to make Seasonal/Occasional article such as Rakhi, Diwali Lantern, Wax Candles, Greeting Cards, Envelopes, Gel Candles, Decorative Rangoli Stencils, Folders, Paper Bags, Article Flowers, etc. which needs an effective platform to showcase their work. The revenue generated from the articles is been distributed amongst the students which is a reward for the hard work they put in for the work.

THANK YOU
