INTRODUCTION:

The ECO-CLUB main motto is reached to unreached and need based services provide to the rural and urban community. Our organization is identified the neglected area of the society is disability area and specially the Mentally Challenged Persons. We take the initiation to creating awareness and formation of groups, strengthening the capacities to provide the trainings and rehabilitation services. The percentage of disability is more in the district based on this situation our organization is established an Institution for the Mentally Challenged Children named as a **"Brahma Institute for the Mentally Challenged"** in the year 1998

Main Aims:

- To Creating awareness
- To Rehabilitate and improve their qualities of lives of Persons with Disabilities.
- To increase the INDEPENDENCE by decreasing of the DEPENDENCY of their Daily Living Activities for Persons With Mentally Challenged

Objectives of the Institution:

- To aware the people towards better environment
- To bring awareness towards disability
- To eradicate of misconceptions about the Mental Retardation in the Society.
- To establish the Institution for the Mentally Handicapped
- To promote resource development, establish its development relate Institutions
- To identify the rehabilitation needs of Person with Disability arise stage of their Lives and community Based Rehabilitation Programme.

"Mentally Retardation is not a disease - It is a condition "

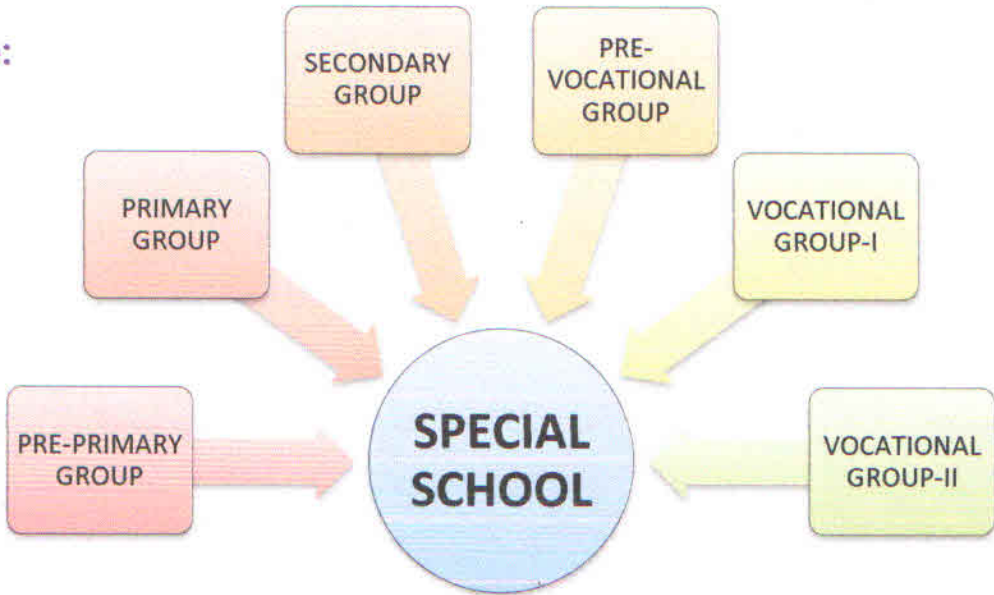

Strengths:

- Well Qualified, Trained experienced and Dedicated Staff.
- Good rapport at grass root level, Local and District Administration.
- Access to expert's scientist's from action research.
- Net working partnership of various District & State Level Institutions.
- The organization involved in many developmental activities, Seminars, Workshops, Rallies, in different Training Programmes organized by GO's and NGO's specially Women & Child Development and Disabled Empowerment, Livelihoods, monitoring and documentation of different programmes in the district

In this academic year we are providing a Special Education for 86 students are studying regularly under the system of Individual Educational Programme (I.E.P.), Vocational Training Program for adult special children, and also we are providing Home Based Services to Severe and Profound children who are not attending to our Special School.

According to Age and Ability and IQ, we are divides groups for Special Children to provide accurate services to individual

Groups are:

In New Year Celebrations Our Brahma Special school children with Rema Rajeshwari superintendent of Police Year Celebration

Dance Performance at Parade Grounds, Mahabubnagar by Our Special children

ACTIVITIES IN BRIEF:

AWARENESS:

Our organization regularly organizing awareness meetings, Rallies, Seminars, Workshops in Government, private schools, colleges and with general public in rural and urban areas. In some other occasions we are conducting competition like ELACUTION, ESSAY WRITING, and PAINTING Competitions

OBSERVATIONS AND ASSESSMENT TO THE CHILDREN:

According to case history and interaction of the parents we are observing the child for initially 15 days. After the observation we are identified the problems of the child. According to their problem we are setting the goals on priority basis.

SELF HELP SKILSS:

According to observation and assessment of the child we are giving the first priority of these skills. The children who are needed support in performing their personal skills, the individual abilities and deflects such as Eating, Drinking, Toileting, Dressing, Brushing and Grooming skills etc.

INDIVIDUALIZED EDUCATIONAL PROGRAMME (I.E.P):

In this system our Special Educator is observing the child and prepares the plan for academic year according to NIMH guidelines. We are identified the special needs based on current level of function and age appropriate. And to involve the parents of the child for goals setting of one year plan, in Curricular level as well as Co-Curricular levels.

THERAPEUTIC INTERVENTIONS:

The Mentally Challenged Children are having a many associated problems. Like Cerebral Palsy, Spastic, Speech, Low Vision, Squint, Throat, Dental and Physical problems. They need suitable therapy services in this academic year we are providing the services to the consultant therapist. We have a physiotherapist, Speech Therapist and also Counselor for behavior modification. We are involving the parents at the time of therapist awareness programs.

OCCUPATIONAL THERAPY:

Those who have problem with their hand function and also grasping problem major the children are suffering from CP and Multi Disabilities. In these cases we are providing some improvement techniques by the specialist. By seeing this techniques our Group teacher and parents also gives their regular interventions

PHYSIOTHERAPY:

With Support of State Bank of India (SBI) we established a small unit of Physiotherapy and here 30 to 40% of children having physical problems like C.P., Spastic and Gaiting, etc. We have a mini-Physiotherapy Unit in our Institution and we follow the guidelines given by

the Physiotherapists of Navodaya College of Physiotherapy, Mahabubnagar. The team also visits regularly to monitor the progress of the individuals.

SPEECH THERAPY:

We are providing Speech Therapy services to who are having a speech and hearing associate problem of our special children. Nearly we are providing speech therapy 21 students.

BEHAVIOUR MODIFICATION:

These children are having more behavior problems. We are observing and identify the problematic behaviors like throwing, pinching, beating others, etc. We are planning according to their behavior problems to control these things with behavior modification techniques.

HOME VISIT:

Parts of our IEP Program our special educators are visiting their group children homes, to discuss their parents about child development. And also they are observing the home environment. This is the regular program, very useful to sharing the views and opinions of the parents and siblings for development of child.

CURRICULAR ACTIVITIES

Our Special Educators are academic curricular activities planning to individuals by using NIMH's check lists.

The activities have planned in the IEP based on the individual ability and needs. By using special teaching methods material and special teaching aids. The individual care and learning plan prepared by concern group teachers based on child ability, and they are practicing to the students below activities.

Concept Skills:

- Time concept skills
- Size concept skills
- Money concept skills
- Color concepts skills

Curricular Activities

- Reading
- Writing
- Arithmetic & etc,

Co-Curricular Activities

- Pasting
- Drawing
- Painting
- Dance & Music
- Computer games and film shows.

Well, it wouldn't be an annual report without a lot of numbers, right? This section is the place for all those financial tables.

To get started with a table that looks just like the sample here, on the Insert tab, tap Table.

VOCATIONAL TRAINING:

We have a Vocational Unit for adult (above 16 years) special trainees for skilled development in various trades like, Envelop making, File Pad making, Candle making, Screen Printing, Greeting Cards, Tailoring, Washing powder making and Embroidery. In this Vocational Unit 30 children are getting training above mentioned trade.

INVOLVEMENT OF THE PARENTS IN I.E.P. PROGRAMME:

After observation the child the special teaching staff list out the needs according to their assessment report. In this system we are involving the parents to priorities of the goals taking of the I.E.P. Programme of the special children.

PARENTS (PARENTS ASSOCIATION) MEETING:

It is regular activity to organize the parents meetings on twice in academic year. The purpose of these meetings is to consider the parent as a partner in the part of the rehabilitation of the special child. These meetings focused as an exchange forum and also helped the parents to know about the activities and opportunities provided to their child and to agree the abilities and interests of the child.

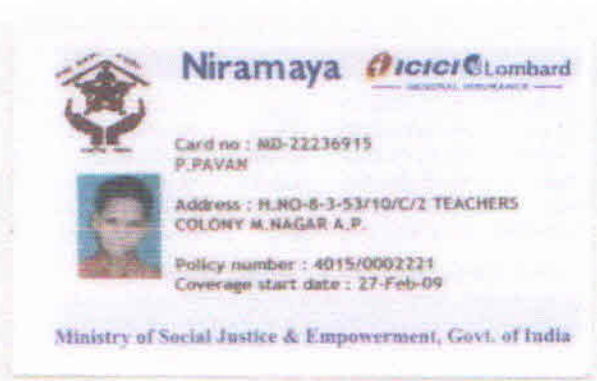

DETNAL CAMP:

Our Institution has regularly organizing the free dental camp arranged with the support of SVS Dental and Medical College, Mahabubnagar. The special children were treated freely by the specialist doctors.

NATIONAL TRUST HEALTH INSURANCE CARDS (NIARAMAYA SCHEME) & BUS PASS DISTRIBUTION:

Our Organization is registered in National Trust, Government of India and Local Level Committee member in National Trust. The National Trust providing Special Health Insurance Scheme for the welfare of Mentally Challenged, Cerebral Palsy and Autism Children under the NIRAMAYA Scheme. Under this scheme we regularly submit the application forms to the National Trust through MIS. In this we applied and received the nearly 250 Insurance cards from the National Trust. All the cards are distributed to the concern persons. Also our Institution providing free RTC bus passes to the children.

KARATE TRAINING YOUNGA and MEDITATION:

In our institution some of the children are interesting to involve the Karate Training program with interest and support from parents. We will regularly organizing sessions by Karate Master. In this academic year 20 children are actively participated and performed well. This is one of the best activity to control the emotions and Behavior of our special children. We are taking support from expert YOUNGA and MEDITATION MASTERS. Our staff and student actively participated in this group.

:SPECIAL EVENTS:

WORLD DISABLED DAY:

We are celebrating the World Disabled Day on 3rd December,2017. In view of this occasion Dist. Level Sports meet for the Person with Disabled organized by Department of Disabled Welfare in Mahabubnagar district.
