Aastha charitable institute was established in 2002 with vision to serve the disabled provide services to root level. The 20th year of the trust and hence an important landmark in the organizational portfolio.

Presently there are 3 major projects run under the Banner of Aastha.

1. Avadhoot residential school for mentally challenged divyangajan.

A role model in itself school was established in 2014 and has completed 9 yrs with many success stories to tell.

School has received government grant since this year but the trust and love of the parents and society has always been back bone of the school with capacity of 40 children in the age range of 5 to 18 are learning life skills and prevocational skills .

Up till now 6 students have been successfully rehabilitated in the industry in Sangali and Kolhapur and in offices these children are earning their own livelihood and are no more burdens on society.

2. PAYASWINI Goshala

Second project is mainly catering to special population above 18 yrs where we are training the adults to cater to castles like cows and buffaloes

The project has provided purpose for 8 adults who are involved in this project and are supporting own self.

3. Vocational workshop

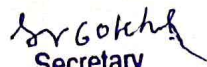

Third project which includes another 40 adults who are trained to make files make paper bags

Wormculture and cow dug products and preparing gift articles.

Apart from these projects 2 major projects are done in collaboration with other NGO.

Raising funds for cochlear implant surgery for those who do not fit in government scheme. And has applied to start a training college in collaboration with Sanwad speech hearing clinic and research foundation. Rajeev College of speech and hearing.

Apart from these activities organization supports many events for physically challenged and creating awareness of laws for Divyangajans.
