Introduction

We as a Divya Drashti Foundation established in the year of 2008 @ Sapakada Ta. Halva Dist. Morbi always with a dream to help the people who are challenged.

Founder of this trust himself is a blind and he knows what are the difficulties he is facing in his day to day activities so he decided to establish the trust where he and his team can work for the people who are challenged and can work for their betterment. .

Vision:-

Our vision for next upcoming years is to provide help and services to various disabled people and make India poverty free and our target for next upcoming years is to provide various types of educational, medical services to many disabled (cerebral palsy, autism, intellectual disability, multiple disabilities, and dumb, blind, handicap) people.

We will go to many different villages and we will provide various services to different types of villagers also.

We will also help various types of Divyang to get participated in different national and state govt scheme where they get benefited from it. We will also provide various facilities and we will continue to help and do social work selflessly.

National scheme facility service:-

In this programs held by Divya Drashti Foundation we had help edparticipation of form filling of pensions chemesto Divyang people and all Divyang people (cerebral palsy, autism, intellectual disability, multiple disability) get 1000 rs monthly pension by Gujarat government. We are also helping Divyang people to get participated in various national schemes.

Multiple Disability Support:-
