- Parent training

## **HIGHLIGHTS OF THE YEAR 2023 - 2024**

This year we could make significant differences in lives of many individuals with physical and mental challenges who are underprivileged. GFCT met the needs of 50 students and 20 mothers throughout the year. Students have shown good improvement with intensive physiotherapy sessions, many of our students have shown good changes in their overall developmental skills.

### **Few of the highlights are:**

- We were able to provide free intensive therapies, medicines, food and transport for all the students.
- Students had ample amount of training and opportunity to improve their life skills.
- 2 of our students were placed in jobs in companies to support their livelihood.
- Had various opportunities to sell products made by our students. Sold around 100 kgs of chocolate, door mats, bottle decorations, jewelry and designed diyas.
- Staffs are parents were given training on basic care giving skills.
- Conducted awareness programs about disability.
- Gave various opportunities for students from various schools and colleges for community services.
