

Deepti Educational & Charitable Foundation

Deepti Educational and Charitable foundation, a charitable trust was formed on 21/02/2012 Reg. No. 27/2012. One of the main objectives of the trust is to open, establish and support health care and special educational service to children and young adult with Cerebral Palsy, Autism, Down Syndrome, Mental Retardation, Multiple Disabilities, learning difficulties where there is need for the same and extend counseling to the parents.

The Organization is running a vocational training Centre. The numbers of beneficiaries are 49 in the Vocational Training centre. The trainings are given on tailoring, computer, data entry, mat making, soap, lotion, candle making, etc. The mothers of children are also given vocational training in tailoring.

Vocational training centre has PWD registration with Reg. No 136/19 under Social Justice Dept., Pathanamthitta. The Children are with different challenges such as Autism, Down syndrome, Multiple Disabilities, Cerebral Palsy and mentally challenged condition.

Current Activities - 2019 -2020

Children who are affected with Cerebral Palsy, Autism, Mental Retardation and Multiple disabilities are studying in our educational institution. We are providing rehabilitation services to these children. Medical camps (Ortho, Dental, Pediatric, and General Medicine) are conducting for such children every year. We are taking awareness classes on speech therapy, physiotherapy, occupational therapy and naturopathy for parents of such children. We are also providing family counseling to parents of these children. Vocational Trainings (Mat, soap, Candle, lotion making and Tailoring) also given for these children. We provide special education to these children. We are also providing Speech therapy, Physiotherapy and Occupational therapy to these children.

Activities in previous years

Children affected with Cerebral Palsy, Autism, Mental Retardation and multiple disabilities were given vocational training. Exhibitions of various kinds of Handicrafts made by these children were held in different schools. The tour was arranged for the mental and physical well - being of these children. A medical camp was conducted for these children. Various art competitions were organized for these children. Individual and group counseling were arranged for the parents of such children. Physio, Speech and Occupational therapy were provided for such children every day. They also participated in creative play.
