**CENDECT**  
**ANNUAL REPORT FOR THE YEAR 2018-2019**

CENTRE FOR DEVELOPMENT AND COMMUNICATION TRUST (CENDECT) is a Non Governmental Organization (NGO) registered under the Indian Trust Act 1882 on 26.7.1983 with Registration No 53/83. It is a developmental, scientific, research and educational organization managed by 9 Board of Trustees.

CENDECT is monitored by the President, General Secretary, Treasurer and six Board members. Board members do not get any remuneration from the Trust. **Dr.P. PATCHAIMAL** is the Founder Director and the Head of the NGO. He does not get Benefit and salary from the trust. His post is Honorary.

CENDECT is a totally committed development agency as it is catalyzing and channeling Government, Semi-Government, Bank and Foreign Resources to the weaker sections of the society directly.

**CENDECT** has been implementing many integrated Rural Development Projects in the most backward and needy areas in Tamil Nadu State since its inception especially in Theni and Madurai Districts to serve the Villagers, Rural Poor, Marginal and Small Farmers, Women, Children, Differently Abled, Tribals and the Aged Persons.

**PROJECTS IMPLEMENTED DURING THE YEAR 2018-2019**

**I. Agriculture Development:**

- i. ICAR Krishi Vigyan Kendra
- ii. Special Programmes undertaken by KVK
  - a. State Level Farmers Innovative Meet
  - b. NABARD CAT Programmes

**II. Child Development:**

- i. Residential School for SC/ST children
- ii. Rajiv Gandhi National Creche Scheme for the Children of Working Mothers
- iii. Juvenile Guidance Bureau

**III. Women and Livelihood Development:**

- i. Income Generating Programmes for Women
- ii. Vocational Trainings

**IV. Disabled Welfare:**

- i. Mentally Retarded Schools
- ii. Vocational Training cum Production Centre for Persons with Disabilities
- iii. NIEPMD-SIPDA Training programme for 30 disabled persons
- iv. SIPDA Training Programme for 240 disabled person

**V. Health and Family Welfare:**

- i. 15-bedded De-addiction cum Rehabilitation Centre
- ii. Family Counselling Centre

**VI. Participation in Network Activities:**

1. Dynamic Network
2. Jasul Network

## **I. AGRICULTURE DEVELOPMENT**

### **CENDECT KRISHI VIGYAN KENDRA**

CENDECT KVK is a District level Agricultural Training, Extension and Research Institution sponsored by **Indian Council of Agricultural Research (ICAR)**, Government of India. It was started in March 1995 for benefit of farmers in Theni District. It aims at transferring the farm worthy technologies to the farmers, farm women, rural youth and the extension workers through trainings and demonstrations. **Dr.P.PATCHAIMAL** is the Chairman of **CENDECT KVK**. **Dr.S.THIRUMURUGAN** is the Senior Scientist and Head of **CENDECT KVK**.

The main objective of the Kendra is to impart the latest technical knowledge to the farmers through work experience, employing the principles of “Teaching by Doing” and “Learning by Doing”.

### **MANDATE OF KRISHI VIGYAN KENDRA:**

Technology assessment, refinement and demonstration of technology/products through the following activities of KVK.

- On-farm testing to identify the location specificity of agricultural technologies under various farming systems.
- Frontline demonstrations to establish its production potentials on the farmers' fields.
- Training of farmers to update their knowledge and skills in modern agricultural technologies, and training of extension personnel to orient them in the frontier areas of technology development.
- To work as resource and knowledge centre of agricultural technology for supporting initiatives of public, private and voluntary sector for improving the agricultural economy of the district.
- In order to create awareness about improved technology, a large number of extension activities will be taken up.
- The seeds and planting materials produced by the KVKs will also be made available to the farmers.

The main activities and achievements of CENDECT KVK during the year 2018-2019 is furnished below:

### **A.ON FARM TESTING (OFT)**

On Farm Testing is aimed at testing the proven technologies evolved at Research Stations on farmers' field with their farming system perspective in view under their management and their active participation so as to convince them the relevance and viability of the new technology.

During the year 2018-2019 six OFT programmes were conducted viz., Assessment of suitable shorter and drought tolerant sugarcane variety for Theni District, Assessment of suitable Castor hybrid for Theni District, Assessment of new high yielding Onion Hybrids, Assessing the performance of Coccinia varieties in Theni district, Assessment on suitable poultry birds for backyard rearing, Assessment of different millet bars for income generation involving 35 farmers.

## **B. FRONT LINE DEMONSTRATION (FLD)**

The main objectives of FLD is to demonstrate newly released crop production and protection technologies and its management practice and natural resource utilization technologies in the farmers field under different agro climatic regions and farming situations. The main idea of FLD is to increase the productivity by implementing improved crop production technologies. A total of 12 FLDs programmes were implemented during this year viz., Demonstration of CO 51 Rice variety with special focus on Leaf folder and Bacterial leaf Blight management, Demonstration of CO HM 8 Maize Hybrid with ICM, Demonstration of Co 10 Bajra variety with ICM, Demonstration of snake gourd hybrid CSgH-1, Demonstration of IRRI Grain Pro Super bag for safe storage of paddy, Demonstration of Mini Dal Mill, Demonstration of Improved Direct Paddy Seeder involving 106 farmers

### **B.1 CLUSTER FRONT LINE DEMONSTRATION (CFLD)**

During this year we have implement the cluster front line demonstration programme under NFSM and NMOOP scheme. Under NFSM 2018- 2019, 20 ha of Black gram with VBN 8 With IPM, INM, ICM varieties, 20 ha of Green gram CO 8 with IPM, INM, ICM, 15 ha of Red gram CO 7 with ICM at Mullaayampatti, T.Bomminayakkanpatti, Kundalnayakkanpatti, Kathirnarasingapuram, Kottur, Seelayampatti, Karunakkamuthampatti cluster involving 225 farmers. Under NMOOP scheme 2018- 2019, 40 ha of Groundnut CO 7 with ICM, 20 ha of Sesame TMV 7 with ICM, 20 ha of Sunflower CO 3 at Chinnaovulapuram, Sithayagoundenpatti, Bodidhasanpatti, Sankarapuram, Uthamapuram and Paliyankudi cluster involving 200 farmers.

## **C. TRAININGS**

Training programmes are organized with the purpose of providing new scientific knowledge and developing new skills required for adoption of latest agriculture, horticulture, veterinary and home management technologies.

During this year, we have organized a total of 80 farmers' trainings, and 6 sponsored trainings with the participation of 2140 farmers and Farm women, and rural youths.

## **D. EXTENSION ACTIVITIES**

We have presented 24 Radio talks (AIR, Madurai), 31 news paper coverage published in various newspapers. We have arranged 18 Diagnostic Visits, arranged 5 Exposure Visit. A total of 8864 Farmers, farm women, rural youths, Extension workers and college students benefited from our KVK through various activities. We have responded 27 Advisory Enquiries, arranged 4 Farmers Meeting, organized 1 FFS Demonstrations, made 81 scientific visits to farmer's fields, made 61 Home visits, made 312 FLD and 94 OFT Field Visits, conducted 21 field days, delivered 154 lectures, guided 211 Students, sent 362 SMS Messages, formed 5 Farm Science Club for benefitting 100 farmers, arranged two farmers tour by 40 farmers.

## **E.SOIL TESTING LAB**

A well established soil testing Lab is functioning at CENDECT KVK. A total of 685 soil samples and 110 water samples have been analyzed for the benefit of 795 farmers from 59 villages.

## **F. PRODUCTION OF SEED, PLANTING AND LIVESTOCK MATERIALS**

During this year, under revolving fund scheme, a total of 8.5 q of seeds including Cumbu variety CO 10 Seeds –3 q, Sorghum CO 30 seeds – 2 q, Green gram CO 8-2 q, Black gram VBN 6-1.5 q were produced and supplied to 135 farmers.

About 31100 of planting material/ seedlings including Tomato PKM 1 variety -9000 nos., Chilli K 1 -21000 nos., Coccinia-500 Nos and Dogridge Rootstock -600 nos.

## **G. SPECIAL PROGRAMMES UNDERTAKEN BY KVK:**

<b>Name of the scheme</b>	<b>Date/ Month</b>	<b>Funding agency</b>	<b>Amount (Rs.)</b>	<b>Beneficiaries (No.)</b>
State Level Innovative Farmers Meet	04,05/05 /2018	National Innovation Foundation-India, Ahemdabad	1,90,000	82
Skill training of Rural youth (STRY)-Organic Farming	24/09/2018 to 29/09/2018	MANAGE Hyderabad &SAMETI , Kudumiyanmalai, Pudukkottai-622104	42000	29
Friends of Coconut Tree	3.12.2018 to 22.12.2018	Coconut Development Board, Chennai	126000	60

Skill training of Rural Youth (STRY)- Post Harvest Processing	11.02.2019 to 16.02.2019	MANAGE Hyderabad &SAMETI , Kudumiyanmalai, Pudukkottai-622104	42000	28
CAT- Agro forestry for sustainable agriculture	11.03.2019 to 13.03.2019	NABARD, Chennai	44500	20

## **II - CHILDREN DEVELOPMENT**

### **1. RESIDENTIAL SCHOOL FOR SC/ST CHILDREN**

Ministry of Social Justice and Empowerment, Government of India has sanctioned Residential School having standards from 1 to V exclusively for SC and ST children in the Varusanadu hills area during the year 1995. We have completed 22 academic years. Every year a total of 100 children are provided with free boarding and lodging. This year we have enrolled 71 students in our school.

The students have been selected from the families living below the poverty line and they are either orphans or fatherless or motherless. Tamil Nadu State Government has given the recognition to run as an Elementary School.

The syllabus were prepared as per the educational rule of Government of Tamilnadu from the standard I to V and the teachers were deputed according to the qualification mentioned in the educational rule.

Books, Notebooks, Educational materials, Mats, Blankets and Uniforms are provided to them regularly. The News Reading session and Mathematics Table Session are conducted daily to improve the standard and general knowledge of the students. Apart from subjects, sports, fine arts and drawing are also taught compulsorily. Nutritious food is provided to them.

Parents and relatives are allowed to see their kids fortnightly. Hair cut, nail cutting and washing are done regularly. Republic Day, Independence Day, Teachers Day and Children's day are celebrated grandly. Teachers are working very hard to upgrade the skills of students. Annual Examination was conducted. We have achieved 100% pass in our school as well as hostel.

### **2. RAJIV GANDHI NATIONAL CRECHE SCHEME FOR THE CHILDREN**

CENDECT runs Six Creche Centres in the following villages viz., Kamatchipuram, Dharmapuri, Seepalakkottai, Kottur, Sukkangalpatti, Varusanadu with the grant of Central Social Welfare Board, New Delhi since 1985 onwards.

The main aim of the Creche programme is Child Care with pre-school education. Nutrient rich noon meal is given to the Creche children who are between the age of 6 months to 6 years. The main features focused in our Creches are physical, mental, social development etc.

Two trained teachers work in each Creche Centre. The Creche functions between 8.30 A.M. to 5.00 P.M. Fortnightly parent's meetings are conducted involving Resource persons from Health and Nutrition Departments, Local Nurses, Parents, Panchayat Leaders and Surrounding peoples.

Our Creches are well-equipped with building, toilet facilities, drinking water facilities, playthings, furnitures, Utensils, Charts and Mates. During this year, a total of 150 children have benefited through this Creche programme. Aadhar Card copies of the students were sent to CSWB.

Central Social Welfare Board has increased the salary of Creche Teachers and other recurring expenses in this year.

### **3. JUVENILE GUIDANCE BUREAU (RESOURCE CENTRE)**

This centre is supported by Department of Social Defense, Tamilnadu Government through the Superintendent, Govt. Children's Home, Malliputhur in Virudhunagar District. This resource Centre focuses on changing the life style of the affected children. Through this programme, we have identified 142 affected children in the age group of 6-15, during this year. Counseling and Psychological treatment were given to the children. Out of these 142 children, 85 children were restored to home, 37 children were admitted in Schools and 20 children were again sent back to school. We have contacted and visited 5 schools and created awareness about Child Guidance Bureau among the students.

## **III - WOMEN AND LIVELIHOOD DEVELOPMENT**

### **1. INCOME GENERATING PROGRAMMES FOR WOMEN**

#### **CO-OPERATIVE DAIRY**

Our Co-operative Dairy is functioning well with 200 milch animals. We are supplying 450 litres of milk/day to the District Milk Producer's co-operative Society (AAVIN). **CENDECT KVK** provides free Veterinary services to these milch animals. The Co-operative Society provides animal feed and artificial insemination facilities to the women milk producers.

### **2. VOCATIONAL TRAININGS**

#### **a. TAILORING**

**CENDECT** runs a Tailoring Centre to train and motivate the village women and rural youths to go for self-employment. During this year, 18 girls from surrounding villages were trained. We have also run a Training centre exclusively for the Disabled Girls. Around 115 girls got trained in this Training Unit. We have also given them training certificates which was helpful for them to get free Sewing Machines from the State Government.

#### **b. TYPEWRITING**

**CENDECT** runs an Industrial Training School which teaches Typewriting for rural girls and boys who are looking for the jobs. After the completion of the course, many girls and boys got good jobs and well settled in their life. During this year, 25 girls and boys were trained and attended 90% exams.

## **IV- DISABLED WELFARE**

### **1. CENDECT MENTALLY RETARDED SCHOOLS**

We have successfully run the Special Mentally Challenged School at Kamatchipuram for the benefit of 60, MR children. We have enrolled 34 boys and 26 girls during this academic year. They have been classified in to pre Primary level (23 students), Primary (19 students) and Secondary (18 students). This MR school project continues to be financially supported by AIMS India Foundation in USA through CORNET Technology Limited, Chennai which financially supports the running of school. Our MR School was provided

with play things and Teaching, Learning Materials, Educational Materials which are specially designed for MR children.

The District Disabled Rehabilitation Officer, Theni has released Teaching Grant to our MR School Staff.

At present one Head Master, three Special Educators, one Physiotherapist, one Speech Therapist, two Aaya's, one watchman and Community Based Rehabilitation workers are working in this school.

We also run a Mentally Retarded School at Varusanadu for the benefit of 12 MR Children.

Oil and Natural Gas Corporation of India (ONGC) has donated a MR School van for the Mentally Retarded School under its Corporate Social Responsibility (CSR) Scheme.

We have constructed a new school building in our trust property. The fund to construct the building has been given by CORNET Technology Limited, Chennai under Corporate Social Responsibility (CSR) activities.

Our school has been recognized by Tamilnadu State Government. This is also registered under PWD Act. This is also recognized under National Trust of Central Government. We got approved of 35AC of Income Tax Department for 100% Tax exemption for donations to this school.

### **ANNUAL DAY**

We have celebrated SriRam Kumar Birthday on 3<sup>rd</sup> January 2019 as the Annual Day of our MR School. All students have been given prizes and Special Lunch was given to all the students and parents.

### **MEDICAL ACTIVITIES/ PHYSIOTHERAPY: SPEECH THERAPY**

Speech Therapist has given speech exercise to the speech troubled MR Children. Physiotherapist has given strengthening exercise to the MR Children and they helped in physical movement and coordination exercise for all the Mentally Challenged children.

## **2. VOCATIONAL TRAINING CUM PRODUCTION CENTRE FOR PERSONS WITH DISABILITIES (PWDs)**

This activity has been continued on sustainable mode and the following activities have been carried out during this year 2018-2019.

### **VOCATIONAL TRAINING CUM PRODUCTION CENTRE**

At present, we are running 3 vocational training cum production centres at Kamatchipuram, Royappanpatti and Sankarapuram villages. We have employed 15 differently abled persons to produce and market Agarpathi, Candles, Cup candles, Chalk piece, Computer Sambirani, value added food products and Shampoo. The differently abled persons are provided with monthly stipend for their work.

### **LINKAGE**

We have participated in the Disabled Day function at Collectorate, Theni. Our students have participated in various competition and won the prizes.

We have participated in the National Festival on Therapeutic Sports Meet for person with multiple disabilities from 01.03.2019-02.03.2019 at

Jawaharlal Nehru Stadium, Chennai. Mr.V.Pitchaimani participated 50 m running event.

### **3. SKILL DEVELOPMENT TRAINING PROGRAMME**

Our Institute has recognized as Empanelled Training Partner (ETPs) for skill development of Persons with Disabilities by the Department of Empowerment of Persons with Disabilities, Ministry of Social Justice and Empowerment, Government of India, New Delhi.

#### **i.Skill Development Training programme under SIPDA through NIEPMD**

We have conducted skill development training on Dairy Farmer/Entrepreneur with the financial support of National Institute for Empowerment of Persons with Multiple Disabilities (NIPMED), Chennai under SIPDA Scheme for the benefits of 30 persons with Disabilities (PwDs) in Theni District. Training was given with the duration of 200 hours as per the curriculum of National Skill Development Corporation (NSDC). All the trainees were received an amount of Rs.5000/- for Personal Assistive Aids. The trainees were assessed by online test and viva by the Assessors of India Skill Pvt.Ltd. We have conducted Job fair mela for trainees for the employment. Among 30, 16 candidates were successfully completed the course of Dairy Farmer/Entrepreneur in the month November and received certificate from Skill Council of Persons with Disability (SCPwD).

#### **ii.Skill Development Training under SIPDA Scheme**

We have been conducting 12 skill development training programme for the benefits of 240 Persons with Disabilities (PwDs) especially for Locomotor Disability category under implementation of National Action Plan under SIPDA Scheme funded by the Department of Empowerment of Persons with Disabilities (Divyangjan), New Delhi.

The trades of the skill training programmes are Dairy Farmer/Entrepreneur, Hand rolled Agarbatti Maker, Supervisor-Dairy Products Processing, Butter & Ghee Processing Operator, Hand Embroider, Self Employed Tailor, Dyestuff and Chemical Preparation, Package Dyeing Machine Operator, Soft Flow Dyeing Machine Operator, Hank Dyer, Assistant Beauty Therapist, Beauty Advisor.
