Expansion: Our activities expanded in to two premises. One at Pooja Apartments and original at Bhave Bungalow with 8 new admissions in the age group of 5-15 and 11 older group admissions.

The new center was set up keeping in mind the visual structure that the students children (Intellectually disabled, Cerebral Palsy, Autism , Multiple disabled) were used to in their previous center. The mothers initially participated for the program and then were slowly weaned off.

Objective- **Physical fitness, Group Activity** Activity -**Yoga day**

Participants – **Students and staff of SaaD**

Yoga Day: Yoga is a step towards a better living hence SaaD had organized Yoga day on 21st of June. Students did surya namaskar and some asanas wearing SaaD Tshirts under the observation of Yoga Teachers. Parents and staff joined this activity with the students.

Avacayam

1. It is a project supported by Suzlon and implemented by society of child development .
2. SaaD is in this project from jan 2018 along with other institutes.
3. It is a training programme to produce and market products from flowers(nirmalaya) and waste papers.
4. products learned till date
seed bombs, seed coasters, compost, holi colours, rangoli, agarbatti

Avacayam

Objective - **Product Training, Teaching teachers and parents the process**

Activity – **Rangoli stencils and packing (Avacayam)**

Participants- **Students and teachers**

Making Rangoli stencils and packing it as part of learning a new vocation and making items from recycled material.

Social skills

Objective – **Group social skills**

Activity – **Dahi-Handi celebration**

Participants – **Students and staff**

Students were taught how to make a human pyramid. Based on this concept, students were taught to break the Dahi-Handi.

For younger students, and social skills group, Dahi-Handi celebrations were with sharing lunch.

Objective – Skill building and assessing if a new vocation can be developed

Activity – making Ganpati idol Participants – Students

Ganpati murtis were made by each student with 'shadu mati'.

Objective – Group social skills. Activity – Ganpati celebration.

Participants – Students

1. Family centered social skills development- Taught the students to perform Pooja, aarti, and how to prepare and give prasad.
2. Visit to Karishma society for Ganpati Darshan.
3. Individuals with disabilities need to be taught traditional ways of celebrations, hence, use of banana leaves for lunch was introduced. All students could accept the new method of eating.

Due to the sad demise of one of our student's mother, there were no celebrations in the centers in the months of October and November.

Vocations and Exhibitions

Spice chocolates were researched and developed and introduced for the exhibitions for sale and got a good response.

Objective – **Group social skills/ Vocational skills**

Activity – **Exhibition**

Participants – **Students**

Suzlon workshop (Avacayam activity) on Marketing and customer engagement.

SaaD participated in 5 Diwali exhibitions-

1. Seva sahayog at Shailesh hall
2. Rotary exhibition Srujan at Amber hall
3. Suzlon Avacayam exhibition on 23rd (avacayam and SaaD products)
4. Arrezzo Sky Ltd - Yerwada
5. DSK Vishva Society - Dhayri
6. Bhimthadi Jatra in December

An order for 200 zari-cloth envelopes was sent to the USA. This was the first order received by SaaD from outside India and it was executed successfully.

350 box- type Paper bags were also made and delivered before Diwali by students to JW consultants. This was the first time students executed such a large order within 3 days.

Competitions

Got first prize in Balgeet competition at Balkalyan sanstha. The senior students helped the younger group for the performance.

Got first prize in Balgeet competition at Balkalyan sanstha. The senior students helped the younger group for the performance.
