**Vision**

A center to overcome need of the society for long caring & shelter units for mentally challenged after attaining , adult hood stage . Helping such individuals with special needs to manage , their life in society at such Group Homes & Guiding light for the society .

**Mission**

To ensure security for intellectually challenged children who are weaker , more vulnerable & need more support. To secure a world for intellectually challenged & others like them by creating a world which is based on equality , dignity , regardless of back ground & family love through trainings together with efforts to create social awareness towards .

## Organization of Glance

With a population of about 30 lakhs , Indore - The cleanest city in India , is not the first place that strikes as to locale group home to care for children with intellectual disabilities .

But that's just what Mr. Ajay jain& Mrs. Anamika Jain parent of mentally challenged child of teenager age who unfortunately never cooperate with family living . because of behaviouralproblem , wanted to provide such residential cum vocational training facilities to make more feasible life for these special needs & develop a group home for persons with Intellectual Development Disability " AVIJITWLEFARE SOCIETY " ( AWS ) which was founded in march 2015 as Parental Organization . Mrs. & Mr. A. Jain Both have been inspired by managing trustee Shree Dheerubai Patel of Mangal Murti VikalangTrust ,Junagadah ( Gujrat) Residential Special School & its functioning to undertake this noble work within their resource with great responsibility.

Setting up AWS , Residential Special school at panchavati Colony , Indore . managed to convince the parents of 2 children with special needs . Mr. Ajay jain a parents of mentally Retarded 18 Yrs. Boy . who is a inspiration in making him a warrior .to children with special needs . The job of treating and guiding children with Autism , Cerebral Palsy , delay development & Mental Retardation is a big challenge in society . Good intentions always supported by God , Parents of special needs & society with support of staff , the group home now have ten benefeciaries with special needs & planning to grow more eminent facilities for the children .

AWS has multi utility room where grooming , dressing , money concept & Activity of daily living is developed . Vocational training make a lot of difference in the child to integrate with society . The Cent percent profit of sales proceeds of vocational items are being used for the well being of the children only .
