A beggar does not come to beg, but he comes to give preaching that in last birth he did not give donation and therefor he is facing such condition. If you will not donate, you will also get the same condition like me. It is preached in Bhagvad that 5% of your income should be donated on changing of condition, shri manu maharaja gave some relaxation and asked to give 10% of the income in donation. It is a duty of Grihasta to give donation. All the wealth received in house is not pure. Donation purifies the wealth.
