

Savitribai Phule Mahila Ekatma Samaj Mandal  
VIHANG EDUCATION CENTER FOR SPECIAL KIDS, AURANGABAD.

**Dear Sir/ Madam,**

Savitribai Phule Mahila Ekatma Samaj Mandal (SPMESM) is a leading not-for-profit organization in Central Maharashtra with 42 developmental projects in Education, Health and Sustainable Rural and Slum Development and is active since 1994.

Sensing the dire need of a comprehensive Learning- therapy and Rehab Center for Special children, SPMESM has started **Vihang-Special Education Center** five years ago; which has been acknowledged by many for its quality and dedicated efforts.

To cater the growing demand, Vihang is now expanding through a state of the art campus on the land owned by SPMESM in Aurangabad. Vihang will serve Divyang kids with utmost care and innovative rehabilitation concepts designed by the experts in this proposed campus.

SPMESM has the land, the team of dedicated volunteers and experts in the field and a never-ending waiting list of Divyang Kids to be served!

The center aims as holistic development and will be a landmark in special education in the country.

### **Introduction of Vihang Education Centre**

#### **GOAL**

To empower divyang(differently able) kids having physical, psychological and intellectual impairment and make them rehabilitate independently in society

## OBJECTIVES

Objectives

62	Vedant Deshmukh	10/1/2007	Intellectual Impairment
63	Gourang Mule	2011	Intellectual Impairment

## **ANNUAL Report 2019-2020**

Welcome to 9th year of Vihang. It has been extremely fascinating and had our heels on run.

Vihang started its year with beautiful doctors on the eve of doctors day. This year we celebrated Doctors Day and Ashadi Ekadashi together. Doctors actively participated as Warkaris and enjoyed with doctors. Doctors gave certificates to students who passed open schooling examination.

Vihang School believes in making parents efficient so our parents support group collaborated with national body "SAKSHAM" and conducted one week course "Lets Learn Differently". We had a international speaker "Mrs Neelima Aachwal" from Dubai. She is a behavior analyst along with her experts in aurangabad and pune guided parents about various aspects of differently able children .

In Aurangabad we were not getting disability certificate for autism. They were labelling children with autism as intellectual impaired. We created immense pressure on the authorities and started the facility of autism disability certificate

## स्वमग्नत्वता प्रमाणपत्र मिळण्याचा मार्ग सुकर

औरंगाबाद : विशेष मुलांच्या शाळा, पालक, मानसोपचारतज्ज्ञ, डॉक्टरांच्या सातत्यपूर्ण प्रयत्नातून स्वमग्न ( ऑटिस्टिक ) मुले, व्यक्तींना स्वतंत्र प्रमाणपत्र मिळण्याचा मार्ग सोपा झाला आहे. शासनाने ऑटिस्टिक मुलांच्या हक्काचा विचार करून प्रमाणपत्राचे सॉफ्टवेअर अपडेट केल्याने घाटीतून काही मुलांना ऑटिझमचे स्वतंत्र प्रमाणपत्र मिळण्यास सुरुवात झाली आहे.

मानसोपचारतज्ज्ञांनी आयक्यू टेस्टमधून मुलाला ऑटिझम आहे, असे सिद्ध होत असले किंवा क्लिनिकल सायकोलॉजिस्ट मुलांचे मूल्यमापन करू शकतो तरी प्रमाणपत्र देताना मार्गदर्शक सूचना ( गाइडलाइन्स ) उपलब्ध नसल्याने स्वमग्नतेचे स्वतंत्र प्रमाणपत्र मिळायचे नाही. यामुळे पालकांना मानसिक

त्रासातून जावे लागायचे. प्रमाणपत्राचे सॉफ्टवेअर अपडेट नसल्याचे समजल्यावर विहंग विशेष मुलांच्या शाळेत शिक्षणमंत्री विनोद तावडे आणि सचिव प्राची साठे यांना पत्र लिहून मुले आणि पालकांच्या समस्या मांडल्या होत्या. २०११ च्या जनगणनेनुसार शहरात ५८,५८०

“

प्रमाणपत्रामुळे या मुलांना अनेक सुविधा मिळू शकतात. जास्तीत जास्त दोन दिवसात प्रमाणपत्र मिळू शकते.

- डॉ. प्रदीप देशमुख, विभागप्रमुख,  
मनोविकृतीशास्त्र विभाग

ऑटिस्टिक मुलांना स्वतंत्र प्रमाणपत्र मिळाल्याने त्यांचे हक्क अबाधित ठेवता येतील. - आदिती शाहुल,  
संचालिका, विहंग शाळा

अपंग व्यक्ती, मुले आहेत. शासनाच्या दिव्यांग मुलांसाठी विविध योजना असल्या तरी आपल्या अपंगत्वाचे स्वतंत्र प्रमाणपत्र मिळण्याची सोय नसल्याने या व्यक्ती आपल्या हक्कापासून वंचित आहेत अशा आशयाचे निवेदन पत्रात होते. तावडे आणि शिक्षण विभागाने पत्राची दखल घेत याविषयी आवश्यक बदल करण्यात येतील, असे लेखी कळविले होते.

**Students celebrated Friendship Day by tying friendship bands to each other and enjoyed friendship day**

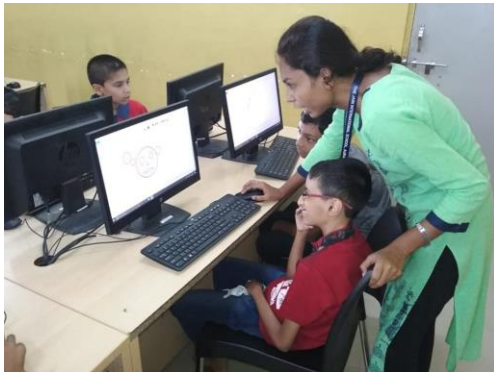

**Rakshabandhan Day was celebrated with students of Sharda Mandir and we had a very nice inclusive event**

Vihang School promotes Inclusion and in an extraordinary step our school students went to Jain International School to study about computer lab there. It was a beautiful exchange program wherein our students enjoyed new school atmosphere

Vihang students celebrated Diwali with redfm team. They interacted with team of redfm, gave them hand painted diyas and wished joy and success

### **National Conference on Special Education:**

SPMESM's Vihang Special School partnered with Dr. Babasaheb Ambedkar Marathwada University and organized a National Level Conference on "Childhood-Issues and Challenges" on the occasion of World Cerebral Palsy Day on 5th October 2019. Vice Chancellor Dr. Pramod Yewale inaugurated the conference. Well known Psychiatrists Dr. Sagar Karia, Dr. Jai Shastri, Dr. Aparna Shisode, Dr. Sanjiv Saoji; Pediatrician Dr. Rajashri Ratnaparkhe, SPMESM Trustee and Vihang Head [Aditi Shardul](#) addressed the 150 delegates coming from all over the country.

## World Disability Day Exhibition at Prozone Mall-

On the occasion of World Disability Day, Vihang School had put up an exhibition of photos of **smiling faces** of Specially Abled Kids at Prozone Mall. Along with this, a signature campaign was launched

to remove the words "handicapped" and "mentally retarded" and replace them with word with 'Specially Abled'.

### **“Vihang is the Best!” say parents!**

Shyam, 15, an Autistic boy was difficult to manage at school in his early days at Vihang. The teachers were taking extraordinary efforts but unfortunately the parents opted out of Vihang after some months. After a year, they came back requesting his re-admission. “We tried at home, at another school but the education at Vihang has no match!” They confessed. Shyam has developed great ability in Mathematics and his abilities are being shaped to next levels at Vihang.

**Regards**

**Aditi Shardul**

**Principal Vihang Special School**
