

Annual Report 2019-2020

School at a Glance

Njanodaya Special School for mentally challenged is an institution which has been functioning in Kadapra Grama Panchayat, ward 10 in Thiruvalla Taluk, Pathanamthitta District Since October 2002. The CMC sisters lead the organization which operates under Njanodaya Society. The institute had imparted educational & vocational training to persons of different ages from 4 to 45 from especially various panchayats of Pathanamthitta and all over India. The children are divided into 7 groups on the basis of age & ability.

A total of 57 students studying here out of which 30 MR, 2 CP, and 15 are autism.

School Functioning and Teaching Style

Classes begin with the Assembly every day at 9:30 AM. Teachers here play an important role in school activities. Educational, and vocational training is being imparted to the children of 7 classes under the guidance of specially trained teachers. Also teaches dance music, drawing, yoga, sports, speech therapy, physiotherapy and sensory integration therapy.

The School Resource Group works to evaluate and plan learning activities.

Providing Therapies & Opportunities

We provide sensory integration therapy & sensory motor stimulation for children with Autism. We also provide speech therapy for MR students and occupational & physiotherapy for CP students. Institution set a barrier free environment and adaptations for CP students. A team of doctors and palliative careworkers from Niranam PHC visits school on a regular basis.

Screening & Assessment

After the current level assessment done by our screening team, set goals & strategies for 3 months and evaluate the termly achievements. School Resource Group (SRG) made a classwise plan for each students related to the needed therapies and learning activities, thus we give a quality education.

Vocational Training

Recognizing the importance of job training in personality development, various vocational training is being imparted to children above 18 years of age with the objective of self-sufficiency. The training program also includes bead making, cotton waste making, vegetable cultivation, computer training, sewing, craft work, and paper cover making.

Awareness Programme

The PTA members are working with the school management under the leadership of PTA president for the smooth running of all the activities of the school. PTA meetings are held every three months and classes are conducted for the best activities in each class.

Celebrations

Nationally & educationally significant celebrations such as Onam celebration, Teachers day, Children's day, Christmas are being celebrated beautifully in our school as well.

Entrance Ceremony

June 6, the 2019-2020 academic year, was observed as a day of protest instead of an entrance ceremony. Principal welcomed everyone to the meeting, which was held against the government's neglect of special schools. Marthoma Sleeha Center Church Vicar presided over the function and Kadapra Panchayat President inaugurated the function. On that day, the petition was prepared by the parents and management and submitted to the Grama Panchayat President. PTA representative thanked the press conference and addressed the gathering.

Onam&Teacher's Day

This year's Onam celebration and Teachers' Day were jointly celebrated and various competitions were held for children and parents in connection with this. Teaching Materials competition for teachers and various competitions for non-teaching teachers were held on the occasion.

I take this opportunity to thank everyone who is supporting to run this school in a successful way.

Warmly Welcome
