[Website-www.pehchanngohmr.com](http://www.pehchanngohmr.com)

PEHCHAN is a non profitable ,non commercial voluntary organisation dedicated the welfare of the Physically and Mentally Retarded Children . Pehchan Society was registered as a society in November 2014 under the registration of society Government of Himachal Pradesh registration Act,2006 .

PEHCHAN provides special education ,behaviour modification of the Mentally Retarded children with the services of Physiotherapy, Speech therapy ,Yoga ,Dance and Special education techniques by a team of interdisciplinary teachers . We have been a training our students in their daily living skills who are unable to do their daily chores like eating , dressing , grooming and also toileting etc. The main purpose of this training programme is to infuse confidence in them ,to make them feel that they are quite efficient and can attend their daily needs with more confidence than ever as the ordinary children of their age group and move in the society with some satisfaction facing challenges.

PEHCHAN provides care and special education to children with Mental Retardation and other development disorder . These children with basic life skills and fundamental concept that will help them function as independent as possible as a day to day basis .

OUR VISION

The quality of every person with Mental retardation is equal to other citizens in the country in that they will have independent living and community integrating to the maximum extent possible .

OUR MISSION

Through constant professional endeavours Special school conduct for the children with mental retardation which ensure all round (cultural activity, sports , social activities , Educational , full participation and development of the special needs child)

OUR OBJECTIVES

1. To identify and rehabilitation the person with Mentally Retarded.
2. To provide the vocational training .
3. To integrate the Mentally retarded children with normal children.
4. To improve the over all quality of life of the several people & weaker sections of the society particularly disabled .
5. To seek the collaboration & cooperation of other voluntary & Government agencies for development activities and programmes .

ACTIVITIES OF THE SPECIAL SCHOOL

This year for PEHCHAN has been a year of experimentation , learning or evolving . The year through up many challenges ,promoted us to push ourselves to new limits . It made us face many situations where we were challenged to change ,modify to recreate the modality to our work with our beneficiaries . We are delighted to have exceeded our targets across all our programmes . We have also strengthened and streamlined our interventions through regular monitoring ,evaluation and timely strategic decision making throughout the organization. This year we were fortunate enough to see many such moments , and we
