1. About NGVS:

New Global Vision Society (NGVS) is a registered society registered under the Societies Registration Act of 1860 in the year 1999. It is also registered under the National Trust Act, Persons With Disabilities Act, Department of Social Welfare, Govt. of NCT of Delhi & Income Tax Act.

NGVS established the Vision Institute of Advanced Studies in the year 2001 to serve the Higher Education fraternity. Its main objective is to facilitate quality education with a flair for life-long learning. The growth of the Institution can be appreciated through the continued recognition and applaud it has been receiving for its work in the field of Disability and Special Education.

NGVS has also established the Vision Special School which is providing exemplary services in the field of Special Education & Rehabilitation. It is serving the Children With Special Needs (CWSN) especially to children from Below Poverty Line (BPL). The School is a non-Government funded body with strong support from the local community like Rotary Club of Delhi Maurya, Institutional attachments with Asha Kiran the largest residential MR Home in India, other hospitals and NGO's in Delhi / NCR.

The Management of the Society include philanthropists, social activists, special educators, academicians among others. The organization has the support of local leaders and care-givers who jointly work hand in hand with the NGO to achieve the common objectives. The New Generation is also actively associated through the several Schools / Colleges who are associated with the society.

2. Vision & Mission

Vision

Establishment of an Inclusive Society providing equal opportunity for all

Mission

To empower the marginalized & deprived sections of the society

3. Vision Institute of Advanced Studies

Vision Institute of Advanced Studies was established in the year 2001 under the aegis of New Global Vision Society. The Institute has developed over the years into a hub of learning for knowledge and skill development. Thousands of students today owe their career enhancement to this Institute which not only include fresh students but also doctors, lawyers, engineers, consultants, Industrialists, entrepreneurs, government servants etc.

The Institute has grown over the years in not only its intellectual capital but also resources available in the library, laboratory, teaching equipments, extra-curricular activity materials etc. The Institute is presently housed in a building consisting of theory classrooms, seminar room, computer lab, Psychology laboratory, Library apart from other administrative set-up. Well-qualified and highly experienced faculty with a passion for teaching are associated with the Institute.

Various programmes in the domain of Special Education&Rehabilitation are offered at the Institute apart from Programmes in the field of Psychology and Guidance & Counselling.

The Institute has been granted “No Objection” by the Department of Health & Family Welfare, Govt. of NCT of Delhi and approved by the Rehabilitation Council of India, Ministry of Social Justice & Empowerment, Govt. of India for offering the Special Teacher Education programmes as under: -

Name of Programme	Seats
<i>Diploma in Special Education –Intellectual and Developmental Disabilities (IDD)</i>	35
<i>Diploma in Special Education –Hearing Impairment (HI)</i>	35
<i>Diploma in Special Education –Multiple Disabilities (MD)</i>	35
<i>Diploma in Special Education –Visual Impairment (VI)</i>	35

This Society has also established an Institute in the Name of “Viklang Avam Punarv Kendra” with no objection by the Department of Health & Family Welfare, Govt. of NCT of Delhi and approved by the Rehabilitation Council of India, Ministry of Social Justice & Empowerment, Govt. of India for offering the Special Teacher Education programmes as under :-

Name of Programme	Seats
<i>Diploma in Special Education –Intellectual and Developmental Disabilities (IDD)</i>	35
<i>Diploma in Special Education –Hearing Impairment (HI)</i>	35
<i>Diploma in Special Education –Multiple Disabilities (MD)</i>	35
<i>Diploma in Special Education –Visual Impairment (VI)</i>	35

After the completion of all the above programmes; the students are granted registration with RCI and are permitted to work with Children With Special Needs (CWSN).

Vision Institute of Advanced Studies is also an extended arm of the Center for Distance Learning, Jamia Millia Islamia, New Delhi and offers the much sought after Post Graduate Diploma in Guidance & Counselling (PGDGC) as a study centre.

Vision Institute of Advanced Studies is working as a Special Study Centre with Indira Gandhi National Open University (IGNOU) for the BAPC & MAPC programmes and is extensively working for the welfare of the Psychology Education domain.

Vision Special School has its arrangement with several Taxi Vans which everyday pick up children from their homes to School in the morning and drop them back in the afternoon. The Children are provided with school Uniforms and material of learning as per their IEP. Parents are called the school each Saturday. Medical check up camps are a regular feature of the school. The school participates regularly in District and other Assessment camps of the Government to grant opportunity to all school children to be given material by the Government including Wheel Chairs, Kits, hearing aids etc.

The School has a unit functioning in the Asha Kiran, Govt of NCT Delhi complex wherein Children of Asha Kiran are also provided with Special Education on regular basis. The school does not charge any fees from the children or the authorities for the same. Vocational Education is one area where the Vision Special School has been able to exemplary work by establishing units in the area of Candle making, jute bag making, computer education, spiral binding and photocopy, cutting & tailoring among others.
