The extra curricular activities have a positive impact on the students' emotional, intellectual, social, and interpersonal development. By working together with other individuals, students learn to negotiate, communicate, manage conflict, and lead others. Taking part in these out-of-the-classroom activities helps students to understand the importance of critical thinking skills, time management, academic and intellectual competence. Involvement in activities helps students mature socially and great status in student interaction, relationship formation, and discussion. Working outside of the classroom with diverse groups of individuals also allows the students to gain more self-confidence and combat differences and similarities. If a child is engaged in an extracurricular activity that he/she enjoys, and has the support of a group or team, it promotes positive behaviors. To the Trustees of Shri Navchetan Anshjan Mandal, Madhapur, Tal. Bhuj-Kutch

Trust Registration Number - F 46.KUTCK

OPINION

We have audited the financial statements of Shri Navchetan Anshjan Mandal, Madhapur, Tal. Bhuj-Kutch having registration number F-46-Kutchchh ("the Trust") which comprise the Balance Sheet as at 31st March, 2023 and the Income & Expenditure Account for the year then ended, and notes to Financial Statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Trust as at March 31, 2023, and of its financial performance for the year then ended in accordance with the provisions of The Bombay Public Trusts Act, 1950 (as applicable to Gujarat States) ("the act")

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the requirements of the act, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Trust's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is mentioned in Annexure "A". This description forms part of our auditor's report.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- (i) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the trust to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

"I Am Strong" Quotes For People With Disabilities

In order to achieve your goals, you must stay focused and always make progress.

A disability may be difficult to deal with, but nothing is ever impossible when you put in enough work and believe in yourself. Your circumstances are what you choose for them to be and life has so much more to offer. Always remind yourself that you are more capable to achieve your goals and reach your dreams.

You have our support and here are quotes of empowerment to keep you moving forward.

We rise to great heights by a winding staircase of small steps.

-Francis Bacon.

Continuous effort – not strength or intelligence – is the key to unlocking your potential.-

Winston Churchill.

When everyone else says you can't, determination says- YES YOU CAN.

Robert M. Hensel
