# **ABOUT PAMHJ:**

Parents Association of Mentally Handicapped of Jamshedpur (PAMHJ) is a non-profit organization which was founded by a group of parents/guardians of the mentally challenged children in 2004 for the welfare and empowerment of the such children and their families and Since then it has been making concerned efforts to improve the lives of the mentally challenged people with special focus on the people suffering from autism, cerebral palsy, multiple disabilities and mental retardation. With the continued co-operation from Central and State Government, local authorities and general public, PAMHJ is expanding its services to serve more and more mentally challenged people and their families.

PAMHJ is a member of 'The National Trust', and 'Parivaar' (A national level federation of the parents associations of India) and works according to the guideline provided by these organizations. PAMHJ is an ISO 9001:2008 certified NGO.

### **VISION:**

Establish a Self-Dependent Center for the mentally disabled and also provide living arrangements for those who are in need so that the parents need not concern in their absence.

Establish a separate Vocational Training Center for mentally disabled people where they can maximize their potential for employment and inculcate a culture of service in which all are self-reliant.

Mentally disabled needs Therapeutic Intervention to assist them in maximizing their full potential. PAMHJ therefore wants to establish a Therapy department where Physiotherapy, Magnetic Therapy, Hearing and Speech related Therapies can be administered to the mentally disabled children.

#### MISSION:

To bring the parents of the mentally disabled persons under an association to work for the empowerment, care, training and rehabilitation of the mentally disabled. Also counsel parents of the mentally disabled and provide psychological and social support to them.

To educate, train, impart vocational training, social inclusion and provide comprehensive rehabilitation services to the mentally disabled and help them to live as independently and as fully as possible.

To work in close collaboration with Government and other NGO's for providing quality services to the persons with mental disability. Also bring awareness among the people about the various schemes and services of the government and the national trust and help them to get the benefit.
