

## Annual Report 2021 -2022

Hold fast to dreams, For if dreams die, Life is a broken-winged bird that cannot fly. Hold fast to dreams, For when dreams go, Life is a barren field frozen with snow. -**Langston Hughes**

We at Cheshire Homes India Coorg have held on to our dreams as yet another pandemic year 2021-22 moved by! June 2021 to March 2022- the Storms of Covid took a gentle beating – we braved it all. Children did not return to their normal routine – but the Committee, Volunteers & staff, continued serving our children by distributing food parcels, provisions, medicines, doing home visits, vaccinations and online consultation calls. We were able to conduct 8 Vaccination camps for over 340 people – both students and Community. We continued to remain connected with our students, as our large hearted donors made it all possible. CHIC joined hands with Lopamudra Medical Centre also, to work during the Covid crisis and help as many people as possible.

**“You are never too old to set another goal or to dream a new dream – C.S Lewis**

In spite of being 22 years old, we are always committed to our goal & we march on untiringly, keeping the eyes on the future & the wellbeing of our wards. The Headmaster & Staff have been monitoring the welfare of the students and their families regularly. Medicines were administered to all our students requiring it, every month. Although it was a difficult task, we didn't want them to miss their medication at any cost.

**“The first step toward creating an improved future is developing the ability to envision it. VISION will ignite the fire of passion that fuels our commitment to do WHATEVER IT TAKES to achieve excellence. Only VISION allows us to transform dreams of greatness into the reality of achievement through human action. VISION has no boundaries and knows no limits. Our VISION is what we become in life. ” — Tony Dungy**

So the members of our Committee and Staff set about envisioning the future by working hard on our Handmade paper unit, our Plastic weaving unit and then moving on to the new Handloom Section, training, teaching and empowering ladies to learn diligently the art of weaving with expert advice. The pure hand loom cotton towels that were woven in different hues & shades, by the ladies were really amazing.

We participated in an important campaign - “Save Soil”, which is a global movement launched by Indian spiritual leader Sadhguru, to address land degradation and advocate for healthy soil. One of the main objectives of the movement is to show governments across the world that their citizens want policies that revitalize ecology and soil. As part of our contribution, Cheshire Homes India Coorg, also joined the movement with all our recycling initiatives & by putting up a small show. After the show an appeal was made to the Prime Minister to create a policy to “Save our Soil”. CHIC is really proud to say that we have been contributing to all the Prime Minister's Campaigns – **“Swacch Bharat”, “ Skill India”, “Atma Nirbhar Bharat” & “Vocal for Local”** through our Recycling & Up cycling initiatives. Our cover page says it all. A parcel with our products has been sent to the P.M.O's Office.

Through its 2 Community Based Rehabilitation Programmes by JOAC –UK, from 2003 – 2006 and by the Big Lottery Fund -UK - from April 2006 to 2011, CHIC worked in 38 villages with over 950 Persons with Disability, their caregivers and various stake holders. This programme was recognized by United Nations as “Best Practices for including persons with Disabilities in all aspects of development efforts”.

CHIC has won 2 State awards for excellence for the Institution, in 2013 & 2018. The Chair Person has won the “SKOCH Award for Social Inclusion “in 2019 from SKOCH Foundation–Delhi & 2 individual State awards for Social work in 2018 & 2020.

**Our Committee members –Chairperson Mrs. Gita Chengappa, Vice Chairperson Mrs. Punita Ramasamy & Hon Secretary Mrs. Asha Subbaiah were honoured on “International Women's Day” – 8<sup>th</sup> March 2022 by the parents of Kannika Sthri Shakthi Sangha for the work done, especially during Covid.**

Mrs. Gita Chengappa , Chairperson won The “Kitoor Rani Chennamma State Award” from Department of Women and Child Welfare on the 8<sup>th</sup> March 2023 –International Women’s Day, at *Bangalore*.

**The Head Master has been honoured at the District level and locally by various clubs.**

The students won **11 first Places, 5 second places & 8 third places at a State meet at Mysore**. Our school also won the **first place for “well-disciplined team”** & were **“Runners Up”** for the **“Team Championship “**.

This institution has grown from strength to strength and our main support has been our donors and well-wishers who have always contributed so whole heartedly in recognition of the Institution’s progress and commitment.

**A Performance Audit** was held by a Senior Audit Officer, from Office of the Principal Accountant General (Audit I), Karnataka, Bengaluru. They conducted a Performance Audit on the Rights of Persons with Disabilities and the Working of Child Centric Schools in Kodagu. They were very impressed with the functioning of our Centre, maintenance of our records and after the interaction with parents and children of our Centre. They were so happy that the whole Centre was so accessible and commented that this would rate amongst one of the top 3 schools in the State that they had visited. This was very encouraging to hear and we will definitely strive harder to keep improving our facilities for our children.

It feels good when the Centre is recognized for its work and this, not only increases the credibility of the Organization but is an incentive for all those involved, as it boosts our morale and gives us energy, to work harder and with more determination.

CHIC provides Special education with Functional Academics, Pre Vocational and Vocational training, with medication, therapy, health camps & teaches art, craft, dance, drama, sports & games.

Medical rehabilitation is provided through regular visits, camps, medication and with aids and appliances. At the Centre, Physio therapy & yoga is provided daily. Their nutrition, health and hygiene is closely monitored. Wholesome food is provided daily for lunch. Cleanliness is inculcated in these students and their organizational skills are slowly developed through repetitive practice.

CHIC has taken up various recycling and up cycling initiatives like the manufacture of handmade paper & bags, weaving single use plastic packets into mats and bags. Handloom towels of pure cotton yarn are woven by the ladies in the looms.

We have been seriously contributing to our Prime Minister’s campaigns by ensuring that we contribute to a "Swachh Bharat" by being "Vocal for Local" and trying to "Skill India" by training our students for an “Atma Nirbhar Bharat” and also by creating an awareness to the Society.

Linking with the National Skill Development Corporation, 2 Skilling projects on recycling paper and plastic were implemented.

Vocational Training in various activities like tailoring, handmade paper bags, screen printing, disinfectant, liquid soap, manufacture are provided. The products are marketed to various institutions and outlets.

CHIC receives a grant from the State Government, but has to also raise donations to run its activities, as services are provided free of charge to the students.

5 Vans are hired to bring the students from all over the Taluk so that they can avail the services and this works out to about 14 lakhs annually.

The Organization has all its statutory requirements in place, like the IT- 80G exemption for donors. CHIC is an autonomous charitable organization registered under the Societies Act, The Persons with Disabilities Act , National Trust Act & Foreign Contribution Regulation Act.

## Daily Activities for students under National Trust Disabilities

16-11-2021

The District Disabled welfare officer Mrs. Vimala , Deputy Director Mr. Muddanna M and other officers visited our centre on 16/11/2021. It was a joint inspection of DDWO and DD. They visited and inspected our washrooms, play area, Handmade Paper unit, Looms, class rooms and vocational centre. After inspection they expressed that overall, very good progress has been made in addressing almost all aspects. Being Visually Impaired the DD & DDWO appreciated the disabled friendly washrooms, Ramps, Blind pathways, play area built and maintained neatly. They appreciated our institution for the initiative taken in covid-19 vaccination campaign and precautions taken.
