ACTIVITIES & PROGRAMS

NAVODIT GRAM UTHHAN MAHILA EVAM BAL VIKAS SAMITI initiated efforts and organised following programmes in the direction of fulfillment of its objectives and towards the development of the communities in making with.

1. SKILL DEVELOPMENT PROGRAMS FOR DROPOUT ADOLESCENT GIRLS

Since independence measures have been taken to bring in a status quo in the difference between resources of employment with respect to population growth and in perspective of the organisation objective and strategies set for the year, NAVODIT GRAM UTHHANMAHILA EVAM BAL VIKAS ushering in prospects of creating employment rather than seeking for it. The following skill development trainings are imparted from self-reliance for drop out adolescent girls/of rural poor women: The organisation has been organizing its Skill Development Training Programs for drop out adolescents Girls (Tailoring & Embroidery) at Betul district on tailoring and embroidery at its premises to provide skill training to the poor and the backward women towards their rehabilitation and self-employment.

2. ENVIRONMENT AWARENESS PROGRAMS

Environmental pollution is now a threat to the human society and it is now a challenge to protect our earth from gradual increasing pollution. We know that the pollution in water and are increasing gradually due to uncontrolled use of fuel, lack of proper management of industrial effluents & ignorance of the common people. Our Organization Environment Awareness Program at different places in Betul district involving students and teachers, to aware the public including all the community people about pollution, preventive measures and arrangements to be taken as guard against pollution etc. Environmental experts, doctors, panchayat members & social workers attended this programme. A rally of school students, teachers and general public with poster, banner etc. were also organised under this programme.

3. TRIBAL HEALTH & PC & PNDT AWARENESS CAMPS

Our organization has been working in tribal dominated district Betul, Madhya Pradesh. which is a remote and backward area of the state. Due to the presence of numerous hills and inaccessible reserve forest the most of the Betul district are un reached and therefore a large section of the people are devoid of the basic healthcare services. In order to provide these sections of people in remote and un reached areas of the district Tribal Health Camps were organized. During the year 25 Tribal Health Camps were organized. During the camps thousands of poor patients benefited who were provided with free screening for diseases, medicine and advice by the doctors. The Society also engaged to halt and reverse the skewed sex ratio in the country through appropriate linkages with State/District Appropriate Authorities for effective enforcement of PC & PNDT Act. and identifying influences of female infanticide/female feticide catching the wrongdoers using decoy customers and effective state coordination for checking influences of sex selection in the district.

4. HOME FOR THE AGED PERSONS

Self-concentration has risen up to such an inhuman height that the moment a person loses the vigor of contributing to his or her kinsmen or to the society for being old and infirm, right then the person goes to the list of rejection. The inhuman practice has led to the misfortune of many an old who have to live sans the frugal necessities of life. To arrest this disgraceful inhumanity, the programme of Old Age Home occupies a significant role in the different activities of social welfare we opened up such a Home at Chopna-Punji, Ghoradongari, Betul district
