## **ANNUAL REPORT 2021-2022**

Nirmal Jyoti Educational and Charitable Society is a Non-Profit Organization in Madhya Pradesh and is a sister organization of Missionary Society of St Thomas the Apostle (MST). The Organization is based in Ujjain District of Madhya Pradesh. NJECS is registered under the M.P. Societies Registration Act 1973 M.P. It is a Non-Government Organization established to work for educational and charitable work by training, development and rehabilitation of human persons. NJECS is established on 30<sup>th</sup> Oct 2008. It is fruition of an ambition to work among the poor and the under privileged in the society and to bring them to the main stream of the society- like educating the poor, mentally challenged, visual, hearing and speech impaired, speech and orthopedically challenged children and adults who are subjected to various adversities owing to poverty, illiteracy, social stigma, social indifference. Currently NJECS is operative in Ujjain, Bhopal, Indore and Mandsaur districts of Madhya Pradesh, with its central and administrative office in Ujjain. The activities cover other than the educational field to fill up the vacuum that exists in the government support services and societal cooperation towards the persons with disabilities, where the societal change and development is so fast and the persons with disability, in particular, suffer

### **Vision**

The Vision of the society is 'Towards an inclusive society that promotes human possibilities for harmonious development'.

### **Mission**

To facilitate the rehabilitation of persons with disabilities through systematic training and to empower them to realize their self image as children of God and part of the society

### **Introduction**

Disability is a complex phenomenon, reflecting an interaction between features of a person's body and features of the society in which he or she lives. It is estimated that around 10% of the population is affected with some sort of disability. If the disabling conditions are identified during the early years of life, then it can be corrected to great extent, reducing the burden and anxiety of the families regarding the future of the disabled children. Nirmal Jyoti Special School is a tiny venture of Nirmal Jyoti Educational and Charitable Society, Ujjain towards bringing the disabled children of Mandsaur district to the main stream of the society.

2021-22 was an year of uncertainty and chaos due to covid-19 pandemic and restrictions due to that the students couldn't attend regular classes and celebrations like Independence day, Diwali, Christmas and Republic day. The covid-19 pandemic has barred the school from organizing any other programmes as well. And so this year without regular classes and physical presence of students in the school was really a great loss for them.

But we used to conduct online classes and contact them regularly through social media. Teachers used to send videos as well. They were encouraged to prepare materials and models, do art and craft work, do daily practices of exercises and dances, prepare for and give exam online etc. Now, once the school resumes these practices will surely help them in a special way.

**Conclusion**

Nirmal Jyoti Special School is trying its level best in the development of disabled children, especially in this area of the country. Through this we hope to make more impact in the life of the disabled children and the society as a whole. We sincerely thank all the people who have supported and continue to support the school. We hope and pray that the school may become a platform for the disabled children to recognize their status in the society and the community becomes aware of their duties and responsibilities towards these children.
