

Annual Report of St. Francis Dilkhush Special School

For the Intellectually Challenged for the year 2022-2023

The organization St. Francis Seva Samaj Educational Society Seoni Madhya Pradesh working in the field of disabled sections since 2004 for rehabilitation and education of all types of disabled and their empowerment and justice. Our congregation is well established in disability field and having years of experience and working for disabled. This organization has its own suitable land and building in Seoni district. It gives us a lot of joy and satisfaction as we present our annual report. Over the past 18 years our Education Society has been engaged in the procedure of awakening and empowering the weak and marginalized people of Seoni. Every year more than 10 disabled children and adults are corresponding to our society. We are trying to do new methods and learn and understand their current needs. The curriculum focuses the educational program for them in their various disabilities. The students with disabilities need many functional activities based on the curriculum which will enable them for independent living. Thus Functional Academics become the core area of curriculum for their total development.

Our aim is to develop the students to their full potential, so that they may grow and attain independent living and enjoy coming to the school is a happy and pleasant experience. Each student has individual education program and given care encouragement, support, as their need. We seek to create secure and joyful event for their best.
