OUR ACTIVITIES IN DETAILS - (2020-21)

1. HEALTH CARE AND REHABILITATION CENTRE (HCRC)

At Present the Centre is providing physiotherapy and speech therapy to 29 needy Children with disabilities. Most of the children are Cerebral Palsy and they are economically poor that they cannot afford for fees to the therapist. The Foundation is providing the therapist to the 0 – 25 years with free of cost. Also we are proving them 50% of the transportation fare. HCRC was opened

from the 10th September 2012. Rehabilitation work i.e. physiotherapy, speech therapy, occupational therapy, Learning foundation, home based therapy, medical checkup and parents counseling. Seeing the need of early intervention to children with disabilities for their bright future, the Integrated Day Care Unit was set up on the 10th August 2016 as a unit under Health Care and Rehabilitation Centre run by Handicapped Development (HD) Foundation, Manipur. **Our organization** provides some of the physiotherapy, speech therapy, occupational therapy, Learning foundation, home based therapy, medical checkup and parents

counseling. Play therapy is also a method of meeting and responding to the mental health needs of children and is extensively acknowledged by experts as an effective and suitable intervention in dealing with children's brain development. In our day care center play therapy has been performed every Wednesday as a schedule. During lockdown COVID-19 pandemic, our organization is facing lots of problems to provide the services due to travelling restrictions and stay at home orders in whole Manipur but our organization provide services on online virtual mode i.e. online video therapy, google meeting, call conference, online creation program (dance and speech competition), etc. is still going on to achieve our goal. We provided home based therapy also with our children as per requirement of the children. Awareness program also organised COVID-19 related SOP on preventive measures of COVID-19.

PARENTS MEETING FOR DAY CARE

Every month we are discussing with parents of day care of national trust disabilities. Mainly we have to discuss problems faced by the children and what are the progresses. Our organization also provides home base counseling program. During lockdown parents meeting also organized online call conference and Google meet.

2. DIRECT CHILD ASSISTANT (DCA).

Since September 2012, HD Foundation started Direct Child Assistance with the support of Jan Vikas Samiti–Liliane Fond; we had supported 59 Children in terms of Health, Education, Vocational training, and social empowerment. At present the foundation is supporting to 55 Children with various disabilities below the age of 25 years. We also provide Home base therapy to those who are not able to come to the center. During lockdown COVID-19 pandemic, our organization is facing lots of problems to provide the services due to travelling restrictions and stay at home orders in whole Manipur but our organization provide services on online virtual mode i.e. online video therapy, google meeting, call conference, online creation program (dance and speech competition) etc.

We have selected those who have most affected

families due to COVID-19. We also gave the information symptom and prevention of COVID-19 to the parents and guardians of the PWDs in our local languages. How does it spread? How can we protect ourselves and other? What are the symptoms. Parents counseling was also done in the relief work.

3.3 13TH FORTNIGHT BARRIER FREE CAMPAIGN 2020 (17TH TO 31ST OCTOBER 2020)

Handicapped Development (HD) Foundation, Manipur, has been organizing “Barrier Free Campaign” every year since 2008. The main objective of organizing campaign is to make a barrier free environment in our society for enabling to bring the people with disabilities in the mainstream life. Barriers make an environment unsafe and cause a high level of difficulty to the user. It is not only persons with disabilities for whom barriers become major obstacles, the elderly person, a pregnant woman, small children and person with illness or injured persons do faced the same.

Opening Ceremony of the Campaign:

The Handicapped Development Foundation, Manipur started 13th Fortnight Barrier Free Campaign 2020 under the theme "Action towards a Barrier Free Society" at the premises of Department of Social Welfare, Imphal. On Saturday, 17th October 2020, the Campaign was launched by Director Department of Social Welfare Ngangom Uttam Singh of the opening ceremony. Around 20 people was participated the opening ceremony of the 13th Fortnight Barrier Free Campaign 2020. Dr. Laishram Bina Devi had conducted the Programme. The programme was started at 9:00 a.m. And Welcome and Keynote Address was presented by Dr. Sapam Jasowanta, Secretary General Handicapped Development Foundation, Manipur, highlighted the importance of creating a barrier free and accessible society. He said that the foundation

has been organising the barrier free campaign since 2008 with the main objective of creating an environment that is accessible and usable by everyone in the society including people with disabilities.

After that Director Department of Social Welfare, Ngangom Uttam Singh released poster for the campaign. The Director of Social Welfare express about the significance of the campaign, the Director said that all offices, public places, educational institutions etc. should be made accessible and PWD (persons with disabilities) friendly. And new website also launched for PwD's accessible. Creating a barrier free environment for the Persons with Disabilities is a must to ensure safety, obstacle free movement. Besides removing the physical barriers that restrict the abilities of the Persons with Disabilities, people should also change their attitude and thinking towards them, he said hinting that helpful gestures and understanding their needs would provide them with a more constructive and friendly environment.

Awareness Campaign

As a part of the Campaign, we also organized awareness campaign in online speech at YouTube Channel "Handicapped Development Times" and social media. The names of the speaker are as follows:

Sl.	Name of Place	Designation	Topic
1	Khaidem Mani	Chairman, State Human Rights Commission, Manipur	Human Rights and policy program of Barrier Free environment
2	L. Dhaneshwor Singh	Deputy Director (Disability) Social Welfare Department	Social Barriers
3	Th. Dilip Kumar	State Commissioner Persons with Disabilities	Attitudinal Barriers-related to PwD
4	Phurailatpam Manibabu Sharma	Chairperson, Manipur Commission for Protection of Child Rights	Child Rights and Protection- Policy Barrier
5	T. Choungsing Koireng	Member, Manipur State Commission for women	Attitudinal Barriers-related to women disabilities
6	AR. BENSON CHABUNGBAM	Principal Architect, BCS Architecture, Publicity Secretary, Manipur Architects Forum (MAF)	Physical Barriers - Infrastructure related to public and private sector.

Online Video & Photo competition - Around 24 persons (disable and non-disable) was participated the online video and photo competition.

Closing Ceremony- Closing ceremony of 13th Fortnight Barrier Free Campaign 2020 and prize distribution program of online video and photo competition held at social welfare Department, Government of Manipur on 31st October 20. Speaking as chief guest of the function, Deputy Director, Disability, Department of Social Welfare L. Dhaneshor said that able bodied and normal person doesn't show much interest to take part and express their behaviour in indifferent manner in programmes relating to persons with disabilities some years ago. However, in due course of time, such things is gradually disappearing nowadays, he said, adding that there will be inclusive development in the society only when such indifferences or unequal treatment no longer exist. He appealed to people of the state to spread awareness about the significance of removing indifferences or barrier among various groups or communities. Secretary General of HD Foundation Dr. Sapam Jasowanta said that barrier make an environment unsafe and cause lots of difficulties for the community.

Persons with disability are not the only group who face barrier as major obstacle. Elderly person, pregnant women, small children and person with illness are also the victims of barrier, he said. Considering their challenges and difficulties, it is an urgent need to create a barrier free environment where every individual can live with comfort. For this, support and cooperation from every walk of life is needed, he added.

He also appreciated all the competitors for taking part in the competition organised in connection with the occasion. During the programme, prizes were distributed to winners of the video and photo competition organised as part of the campaign. Two students of HD Foundation namely N Ambua Singh and Khumukcham Abenao, who stood first position in Multiple Fancy Dress and Multiple Dance competition respectively organised by JHOOM India recently were also felicitated.

6	Political leaders	3
7	Government leaders	2

SOME SLOGANS WERE ALSO USING THIS PART OF CAMPAIGN:

Coming together is a beginning, Inclusive is within everyone's ability, Inclusive is a right not a privilege for a select few, Inclusive is a foundation equitable societies, Together is the power, Embrace the Disability, Eikhoi Amatani, Eithoi Puna Taminasi, Makhoibu Taramna Ok-e etc.

CONCLUSION: The campaign was successfully completed. This campaign gives message the school accessible (Child with disability should be able to access every part of the school) and child friendly. Increase enrolment and retention of children with disabilities in mainstream schools. The school authorities should involve parents of children with disabilities in the school management committees and promote accessibility for the children with disability and teachers to provide equal opportunities for children with disabilities to participate in class room activities and ensure that these children get adequate learning materials. Give 'loud' message to politicians, government officers and other influential people to really take action to give children with a disability access to education. All of the children are equal right to education.

3.8 STAFF TRAINING

Handicapped Development Organization was organized three days staff training on book keeping and Management on 20th – 22th March 2020 at Handicapped Development office premises.

3.9. DIGITAL LIBRARY

Handicapped Development Foundation Manipur has now more than 40 books in Audio format for its Digital Library. The objective of developing the digital Library is to provide the books in audio format for the visually impaired students whose books are not printed in Braille script. There are many students with disabilities who could not get their higher education due to lack of their study materials and many of them could not afford for the reader fee. The foundation is trying to help those ambitious students with the little resource we have. The books in the audio format have been distributed to the beneficiaries at free of cost and the foundation also welcome others too to avail the same benefit.

SUCCESS STORY

Child Name : **Happyson Hyngo**
Child No. : **10**
Diagnosis : **Blind**
Age : **24 years**

Happyson Hyngo is the 2nd son of (Late) Ningte Hungyo and Sarah Hungyo. His date of birth is 24.10.1996 and now he is 24 years old. He is from Khailailong Leihouram, Ukhrul district. He has seven siblings; one is elder brothers & two elder sisters and two younger brothers and sisters. When he was 8 years he was admitted 8 months in the hospital. After that he was blind. His family is poor family. His father also not more lives. As a source of income to run the family is quite low his mother have fear that he will not able to afford for his studies and face difficulties in making their children to send them for his studies. He went Ideal blind school Takyel, Imphal West. Our organization met with her in 2013 and since then he is under the support of JVS for Education. Due to poverty he hardly could study but after getting support from JVS he is climbing the ladder to top keeping behind all the obstacles. He is residing in blind home at Tera Takyel and use to attend school and singing class. His mother wants to educated persons and brings up in a mainstream society and become a professional singer. Now, he is qualified NET and prepared Ph.D. Details of education are as follows:

Sl.	Class	Name of the School/Competition	Grade/Achievement
1	Nursery to X	Ideal Blind School	1st
2	XI-XII	Model Higher Secondary School	1st
3	Graduation	Oriental College	1st
3	M.A	Manipur University	2 nd Division
4	NET	UGC	Qualified
5	C++ (6 months computer course)	NIFT	Qualified
6	Vocal	Visharat Singing Certificate	Qualified
7	Vocational Training	30 days Handicrafts Training	Completed

Her mother is very happy to see her achievements and have a new hope again.

THANKS AND BEST WISHES

Handicapped Development Foundation Manipur shall never underestimate the role of mass media both print and electronic for making the success of our campaigns. The Foundation thanks all its members and volunteers, persons or groups or associations who have help the foundation or the disable persons in building an equal society. The Foundation specially thanks all the sponsors and donors who extend physically, morally and financially for making success our activities.

HD Foundation Manipur extended the warm wishes to all, especially to the PWDs. May their wishes for self-reliability and self-dependent be fulfilled. Let's hope everyone takes the initiatives for mainstreaming the brothers' & sisters' with disabilities.
