From the Desk of the Secretary.....

Joyous life it is
 When you see it
As an eternal home
 Of sharing and caring
Where you share your joys
 And care other's grief.
 Everything is transitory here
 Life, breathing, sight and might
Deeds for others
 Thoughts for other's well being
Praise for these living beings
 Are only ever pleasant
Joyful and ever lasting
 Forever and ever

Incapability is not a crime rather a rhythm of human life in this vast living universe. Disability is not a curse but a challenge for each and everyone to meet and overcome it. We are living in this world- society which is a magnificent mixture of various landforms, deserts, grasslands, hills, meadows, mountains, banks and plains. And mingling nature of people high thinkers, intelligent and fool. Everywhere individual differences are certain.

Human life is bloomed like a hundred Patel lotus, spread its charming fragrance to all corners of living and non-living when he is encircled with thorns of challenges, mishappenings and misfortunes. In the light of such universal brotherhood "Basudhaiba kutumbakam" feeling of embracing the whole humanity as an incomparable home, abode of peace, prosperity and solidarity, let see the dedicated activities of Mother Teresa Seva Sangha (MTSS) established in 1996 and how it is rendering its services for such lucky future of this "Mother India".

It is the Special School for disabled children for hearing impairment, visual impairment, mental retardation, cerebral palsy and autism and so on and other hand it is a residential exemplary home for those illiterate poor downtrodden incapables to fight for their existence and to remove the mental constipations and social misfiling of hindrances from the path of their progress and prosperity.

Our institution is not only named after a wide noble figure "Mother Teresa "but it is dedicated union of service and sacrifice with high aims and objectives of caring disabled, inspired a distant vision for differently able pupils who set a long lasting mission extends its operational area to all corners of Odisha.

Our students not only learn in their limited class room but participate many awareness programs, sports and cultural programmes, environmental protection programs, senior citizen welfare programmed and skill development programmers and celebrate all most all celebrations like general schools and colleges.

Last but not in the least it is a matter of great pleasure that annual report 2020-21of Mother Teresa Sava Sangha is going to touch the hundreds of well wishers, social noble hands to shares the feelings that whatever our experienced teachers are dedicating their best but hope for more inspiration and helping hands of this vast society for our little futures to reach their desired destination.
