## ABOUT US:

The “Vasantham Mahalir Munnetra Sangam” was started in the year 2000 with a homogeneous group of social workers belongs to Sivagangai District of Tamil Nadu, South INDIA. We are well aware the socio-economic orders which hamper and retard the development of Orphan children and adults, physically and mentally retarded persons, old age persons and to empower women. They are treated as a neglected street stone. They are totally neglected by their family members and in the society. So, we have organized the centres to take care of those orphans, physically and mentally retarded youths, oldage persons and women through our VMMS organization. We conducted various awareness generation programs to aware, ensure and ratify their Human, Seniors, Women and Child Rights. Besides we conducted skill trainings for the self-employment opportunities and income generation ventures for the impoverished, disadvantaged vulnerable women sectors. We tried our level best to emancipate the illiteracy ignorance, superstitious and traditional practices. Our echoes in terms of our concept are the development of rural poor’s under the shackles of Poverty and the Helpless Orphans, Physically, Visually and Mentally Retarded Youths, School Dropout Children, Adult People, Orphans, Semi Orphans and below Poverty Children.

# ENVIRONMENT AND AWARENESS

The people in general and the rural people in particular are under the shackles of illiteracy, ignorance with superstitious practices. Specifically the women are under male domination, atrocities and violence's. They could not enjoy their social respect, social justice and equity in society.

They are not allowed to take part at all level of decision making at home, village and in society. In order to retrieve those impoverished, vulnerable sectors from the glory life and deterioration trends we have organized the following awareness program at various places in Sivagangai District of Tamil Nadu.

1. Covid-19 Awareness camps.
2. Awareness and counselling to the mentally retarded persons.
3. Human rights Awareness.
4. Women rights Awareness.
5. Consumer Awareness.
6. Education Awareness.
7. Road Safety Awareness.
8. Personal and Hygienic Healthy Life Awareness.
9. Solid Waste Management.
10. Herbal Plantation.
11. Environmental Awareness

## **SKILL TRAINING:**

The rural women depend upon the seasonal job of agriculture coolie works. Upon completion of the said coolie works they sat idle at the home without any source of alternative jobs for their livelihood. In the mean time they struggle lot and leading a life of hand to mouth existence.

So to avail them the self employment opportunities and income generative ventures we imparted skill trainings in tailoring, embroider, needle works, wire bag knitting, etc.,

## **HEALTH CAMP:**

The rural people do not pay attention for their health care. Instead they took the traditional medicines and superstitious practices for their healings and treatments. Due to which some occasion they sustain to serious condition. So we conducted the health camp in our area of operation to streets and aware the importance of good healthy life in our area of operation. The medical expert was invited to examine the participants and provided drugs, medicines and tablets.

# ENVIRONMENT AND AWARENESS
