Skill Development Training Programmed:

Our Organization conducting vocational training programme enabling to the beneficiaries trainees to make financially self dependent by skill up-gradation so that they can earn more money by appropriate utilization of their Knowles and skill with a view proposed trade was selected by the least investment. There is locally available raw material and marketing avenues. During training Programme they were about kinds of seasonal fruits, processing, kinds of spices and their use functions of chemical used to make Pikals, and chilly including, using, machine & equipment, utensils & Its preservation, process. Our organization explained rural public regarding methods of food processing plantation and demonstration were given to educate the rural public guidance at development block of Sahpau District Hathras.

This programme received good response from the Public.

Consumer Awareness programme:

Consumer awareness camps in Jalesar Adda Hathras organized to make public aware of the rights available under the consumer protection Act 1956. The programmes were highly appreciated by the attendants. it is generally found that the Consumer, deposit of paying competitive price are offered low quality products by the companies, though the products are packed in very attractive packages but their quality happens be very low. The producers and sellers cheat this way consumer every day. the situation is not to different in the cases of services also, The attendants of the programmed were explained various remedies available to them under the consumer protection Act 1986 and the rules and procedures for filing the suit way and manner of filing appeals Further, they were given names and addresses to different consumer associations whom they can contact in case of need.

Vocational Training Programme:

Keeping in the mind the objectives of poverty by reducing the problem of employment the society has been instrumental, in taking various concrete step in the direction of removal of poverty society has started a vocational training programme. In this training programme women and youths are provided training in different field like knitting tailoring chicken embroidery, computer training, type & shorthand food processing, fashion designing etc. by experienced trainers. In this center trainees are provided training in field of manual art know as handicraft. the main aim of this programme is to make the trainee so skilled that they may become self-dependent and stand on their own feet.

Environment Awareness Programme :

Camp was organized in area Sasani of District Hathras. the people in this area were inspired to be aware of environment and people participated in camp with full enthusiasm. 185 plants were planted in Sasani area Plants were Supplied Free by the society and the responsibility of the safety of each plant was given to each one resident of the area. This camp Created a good impression on the resident of this area.

Handicapped Awareness Programme:

The Society has taken a number of steps including.distribution of necessary equipment to the handicapped Further it has plans to establish a school for the handicapped!Other measures taken by the society includes raising awareness about the handicapped so that they do they do not get separated in the society. Apart From this the society arranged a painting competition among the disabled to explore their talent in this field. Society has plans to shell these paintings. the society is planning to establish a school for benefit to the disabled people at Sadabad, Hathras.

Free Special School & Training For HH VH Handicapped :
