Secretary Desk

I Sri Tanmoy Sau general secretary of Chiranabin, first of all I pay my esteem to all corona warriors who had lost their lives for saving our nation and also for them who are still doing this job.

My gratitude to the honorable president, Executive Committee members and all the staff members, well wishers, CSR, welfare funders for helping us in the development work of the organisation. My special thanks to the govt of West Bengal and govt of India for giving us such a project to implement and also thanks to the panchayet for helping and supporting us.

My special gratitude to the founder of the "Chiranaveen", Mr Sukumar Sau who had established Chiranabin in 1968 for a great purpose, helping the helpless people.

I would also like to thank everyone who has supported us, financially and in kind whatever form it was possible. My special and sincere thanks to FCRA, CSR.

Chiranabin will continue its relentless efforts to end social unrest and overall development of the society and I hope to get your full cooperation in all fields.

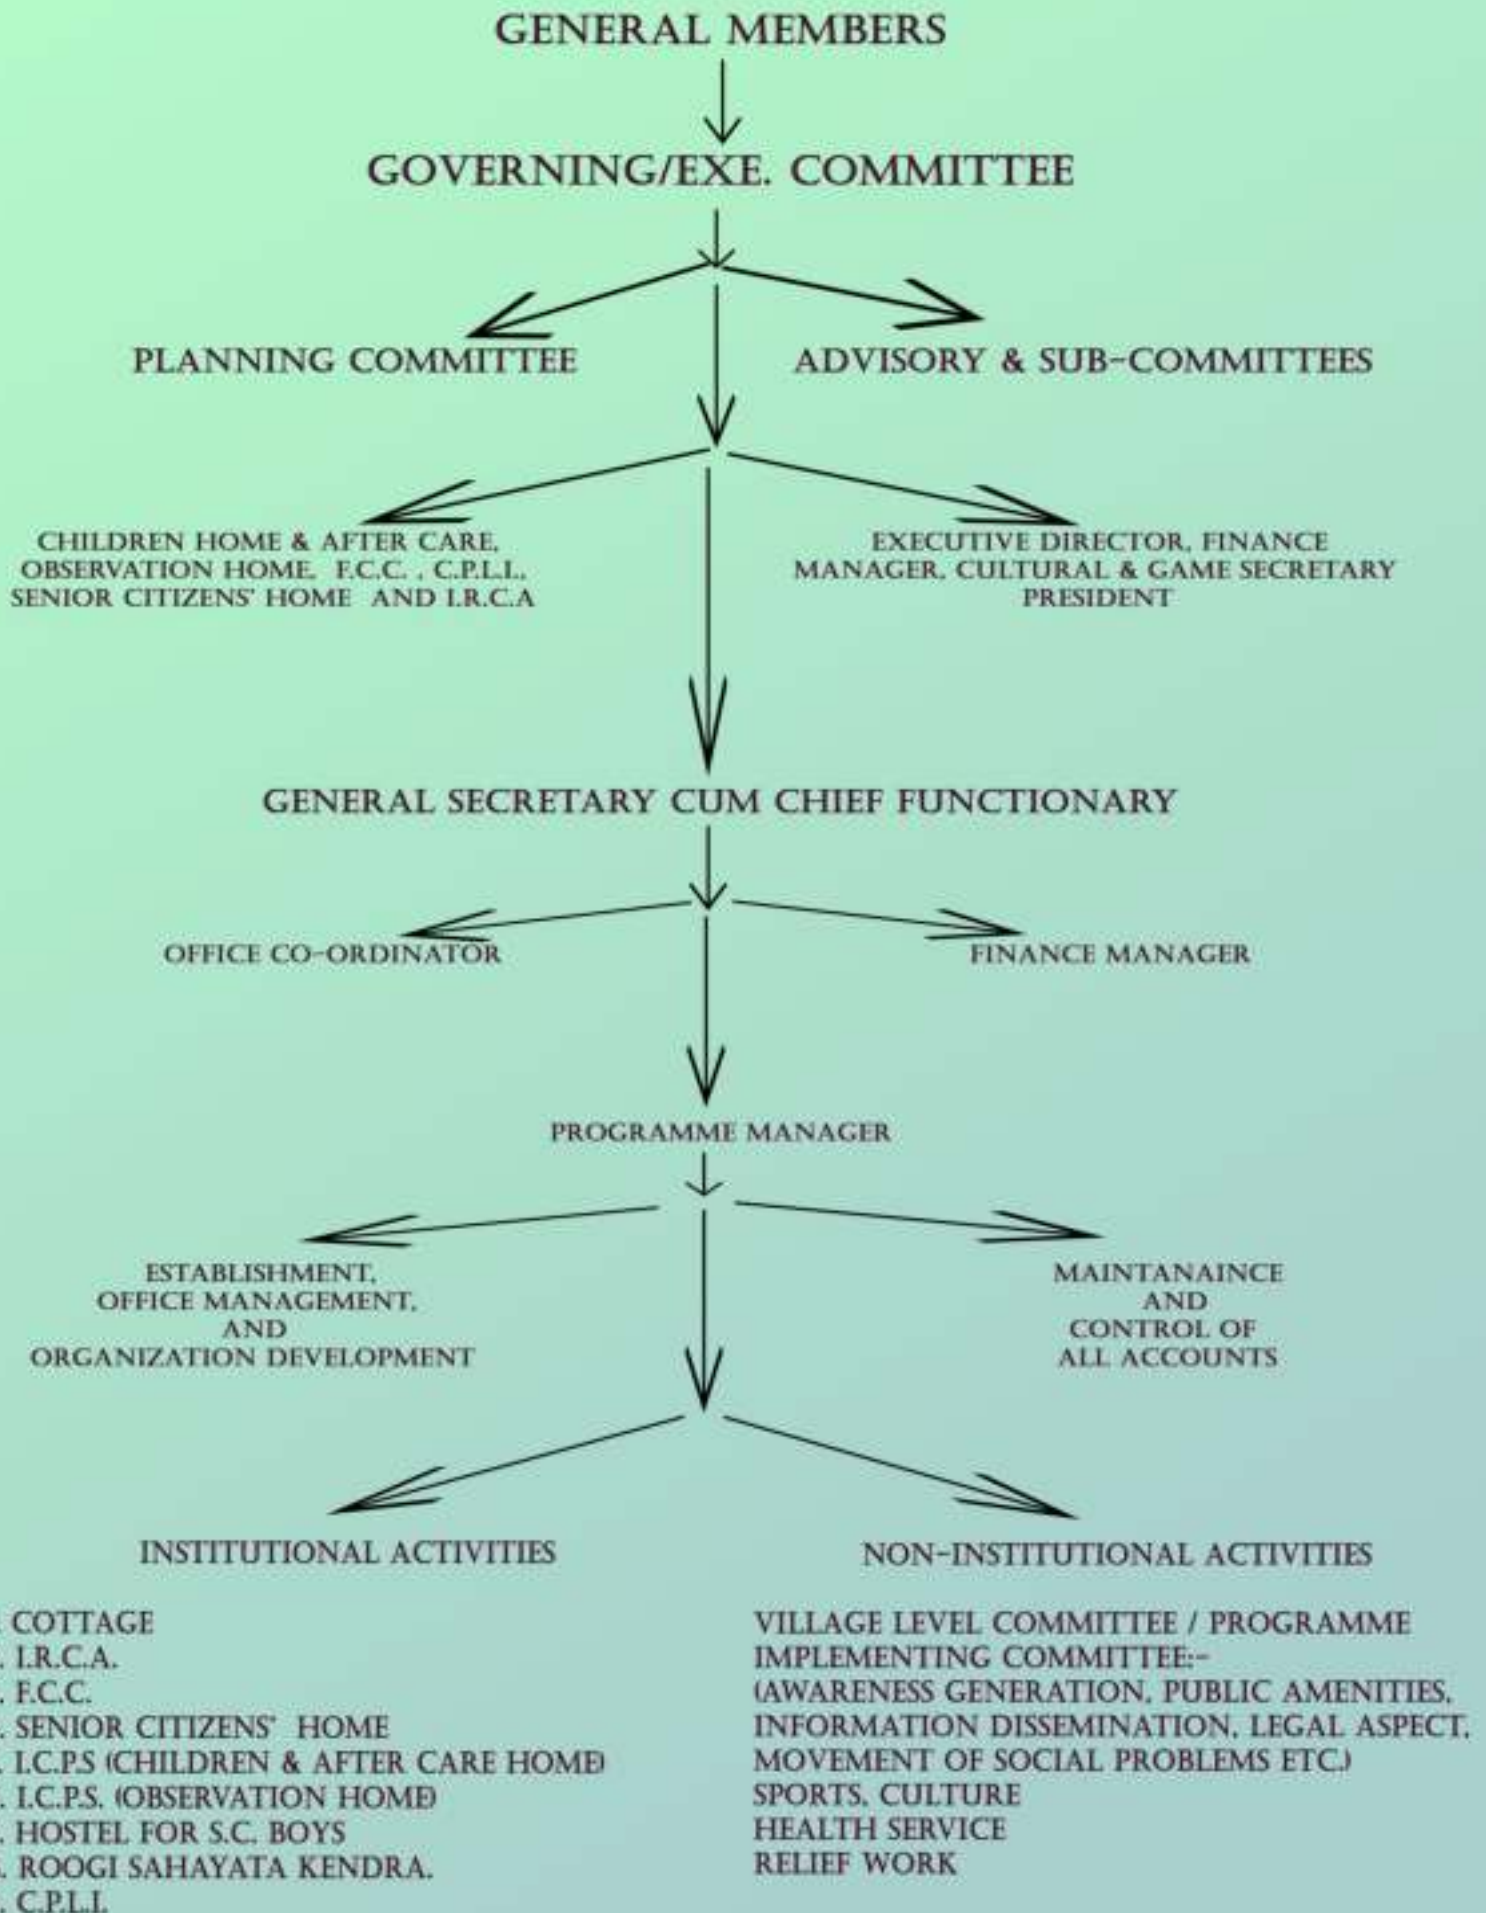

The year was very challenging to spend with normal activities... but we together faced the situation with precautions. I look forward to more possibilities and opening fields for community development.

EVERYONE WILL BE WELL, STAY HEALTHY AND KEEP THE SOCIETY HEALTHY

ALMIGHTY GOD WITH ALL

~: OUR INSTITUTIONAL WORK :~

AUROBINDO HOSTEL FOR S.C. BOYS :-

Boys-children from schedule caste poor families often drop outs from schools. It's because they don't have family support, their families are financially not able to bear the expenditure of education, they are supposed to pass a long distance to reach the schools, the home they live in do not have adequate lighting and ventilations, they don't get coaching to pursue their studies. Hence Chiranabin has built-up a residential unit named "AUROBINDA HOSTEL" for schedule caste boys which takes care of them and facilitate them to continue their studies at nearby primary or secondary School. We are trying our best to bring the SC students in the main stream of life through proper and education, love, care and protection.

Thanks to Govt. of India for financial assistance.

Aims & Objectives:-

1. To bring the SC students in the main stream of life through proper education, care & protection.
2. Development of SC community through the overall development (physical development, mental development, moral development, social development, educational development) of SC children.
3. To bring out the inner quality of the children and help them to maintain and enhance those qualities.
4. To provide them a proper environment so that they can enjoy their childhood and proper life education so that they become enthused about making their life prosperous and beautiful.

Primary and secondary School nearby.

VIVEKANANDA ANATH ASHRAM:-

We are running the Destitute Home for boys under Cotta ge Scheme since last 1985. At present the strength of Destitute Home for boys are 25. All inmates are belongs to the poor classes' family. At present they have inclination towards education but due to constant poverty and bad pecuniary condition all hopes of becoming a learned man are nipped in the bud. Govt. sent the such classes of inmates for admits to destitute home for boys to provide better education so that such kind of poor inmates may prosper in feature life under the guidance of teacher. As such we have made an arrangement for physical development which is badly need in student life i.e. arrangement of sports and games, yoga, seat and draw, cultural programme and exercise for physical strength. The inmates of destitute Home reads at local school. Every year some students of our destitute home appear in the Madhyamick or higher Secondary education and succeed. We have a doctor for check up the health of inmates in every fortnight. We are always aware about protection and care of every inmates about education, health service, food and cloths. .

Thanks to Govt. of Wes Bengal for financial assistance.

OBSERVATION HOME FOR CCL BOYS

We have started Observation home in the year 2012, January. The all J.C.L Boys of observation home under J.J. act of I.C.P.S are involved with various kind of antisocial activities. The main object of the Govt. is to correct the life of criminal boy by care protection and love while view to bring them in the main stream of life so that the J.C.L Boys may stand at their own feet and prosper in future life. We have already admitted two J.C.L boys in the school. Beside this we have also engaged arts and craft teacher for unschooled J.C.L boys.

There is an all arrangement of playing football, volley ball, creacket. 14 staff has been engaged to look after the J.C.L Boys. Food clothes are regular supply to the J.C.L Boys and medical treatment are properly done by regd. medical practitioner.

Thanks to Govt. of W.B. & Govt. of India for financial assistance.

CHILDREN AND AFTER CARE HOME FOR WOMEN & GIRLS OF ICPS UNDER J.J. ACT:-

Chirabin started Shelter Home now children home under J.J. Act with only 25 inmates. Now at present the strength of inmates 202 (M.R./M.I./D.D) & multiple disable women. The inmates are homeless, parentless, and they have no identity. They are most wretched and despise by the people of the civil society. When the inmates come to our home they were sick, deaf and dumb, ill health, unable to walk. They cannot eat and cannot wear garments and cannot talk distinctly. Their nature and behavior has changed for proper guidance, care, protection & love of the staffs and house mother. We have made an arrangement of watching T. V., sound system, to keep them relax and marry making and at the same time they think they are living in a homely atmosphere. House mother look after them as like their own children. Similarly M.R. girls love the staffs as like their own brothers and sisters M. R. girls Also their the 55 staffs like their own brothers and sisters. The inmates have become vivacious by the caress of house mother. They have no stupidity at present.

We have made an arrangement of music teacher who give training on song, dance and acting. In such way they have become acclimate. Now the inmates are very joyful they think that a staff house mother is their brother and sister. We have water arrangement, bathroom, toilet, electricity. But it is not sufficient according to the need of 147 inmates. Beside this there is an arrangement of vocational training for making bags, Jewellery by which the inmates may earn pocket money and self supported. It is our great pleasure and credit that we have able to restore the 4 inmates to their mother's lap. Now they are enjoying sequested life and discharge domestic duties with family members.

Thanks to Govt. of W.B. & India for financial assistance.

SENIOR CITIZENS' HOME FOR 25 OLDER PERSONS :-

At present time we have observed that senior members of the family are neglected. They had refused to live in with his/her family. Their sons and daughter do not want to support (financially, food, shelter, clothing and the most necessary is medical care) them, because they are old enough and they are not benefited for them.

Aged persons have regularly tortured and oppressed by their son and others family members. In such critical stage, older persons have needed to support, care and protection from evil elements.

CHIRANABIN has been running the Senior Citizen Home for 25 older Persons from the financial year 2018-2019 in the Hooghly district, West Bengal. Address is Vill- Marokhana, Block- Khanakul, Dist- Hooghly, State- West Bengal.

We create a home ambience for the old age needy persons. CHIRANABIN provide the shelter, food, cloths, medicine, and other health support, recreation, training for the handicrafts, also the mental support which is most important in this age.

This scheme is not only helping the needy old age persons but also gives us a mental satisfaction to help and provide a home feelings to the needy old age persons who are became burden to their families. We wish for many more success and a long way walk in this journey with these persons.

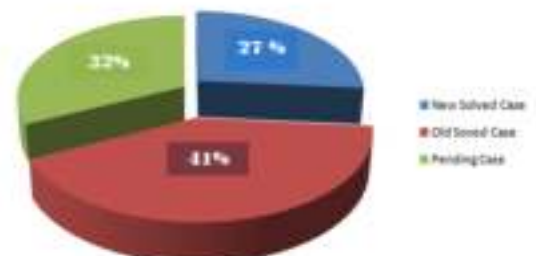

Thanks to Govt. of India for financial assistance.

FAMILY COUNSELLING CENTRE :-

For causing dowry-Demand, unemployment problem, poverty, Live-together, Drug addiction, Eve-teasing, is being increased Day by day in our civil society. The torturing over women, Bride-burning, Bride beating and killing, rape is a regular incident of our society. To make the society peaceful and Pleasant our achievement from the corner of F.C.C. is most praise worthy. While the society is corrupted by the theme of "Nuclear Family" instead of "Joint Family Conception" and the family become smaller to smallest at that time our F.C.C. centre plays a role of match-maker and re-united the family by several Counselling procedure. Women tortured by eve teaser, wife beaten and expelled by husband and in-law members can get relief by their re-conciliation with their husband and in-law members by our center. Not only wife but also deprived old father and mother also get relief as their son and daughter-in-law can not but love, respect and rare up them properly after their counselling with our counsellor in the center. Our staffs are serving excellence opportunity of counseling and advice to client who seeks social security, psychological protection and support services etc. The awareness level of people increasing due to regular intervention like group meeting, training programme awareness camp at different club so that the women exploitation, violence reduce to some extent and people are becoming conscious about their rights. We convey our thanks to the W.B.S.W.A.B., Kolkata and C.S.W.B., New Delhi for grant-in-aid for the F.C.C..

-: COMMUNITY BASED PEER LED INTERVENTION :-

The epidemic of substance abuse in children, adolescents, youth is increasing at an alarming rate in India. India is one of largest populated country in the world. In this large number of population a major part is between 10-18 years old. The effect of substance abuse is highest on the psychological health of adolescents with the possibility of developing substance use disorder, leading to major behavioural changes observed including mood change, depression, anxiety etc. It puts Millions of adolescents at a variety of risk for traffic accident, high risk sexual practices, juvenile delinquency, Family problems.

In the 2019, the National survey on Extent and pattern of substance use, conducted by National Drugs Dependence Treatment centre, AIIMS, reported that in India, is the most common substance used is alcohol which is followed by cannabis and opioids. As per the report, 16cr persons consume alcohol, 3.1cr use cannabis and 2.3cr use opioids. More than 5.7 cr individuals are affected by harmful or dependent on alcohol and need help for their alcohol use problem, about 25 lakh suffer from cannabis dependence and approximately 77 lakh individuals estimated to need help for their opioid use problems.

Children, who are homeless, vagabond or live in slums, street become particularly vulnerable to substance abuse at high risk. To intervene before initiate the substance use government of India has introduced such scheme like CPI (Community Based Peer Led Intervention) under MSJE (Ministry of Social Justice and Empowerment).

This project has been running successfully in our organization since January, 2020. Our aim is to reach children and adolescents who are vulnerable and seeking help and provide our services to them. The Community Based Peer Led Intervention programme for target intervention for substance use among vulnerable children in Howrah district. This project is running by financial assistance National Institute of Social Defence, Ministry of Social Justice and Empowerment, Govt. of India, New Delhi. Each of the 20 trained Peer Educators works with at least 10 to 15 peers in each quarter targeting to a total of at least 40 beneficiaries at the end of the project year and the hotspot area are selected to mitigate substance use.

Thanks to MSJE and Govt. of India for the financial assist.
