Voice of World is Social Welfare Organisation engaged in providing philanthropic service to underprivileged Differently-abled persons, Orphans and Destitutes since 1992. 'Voice of World' (VOW), which is a multi-unit & multi-functional Social Welfare Organisation for the underprivileged, especially the differently-abled section of the society. We provide shelter, food, education, rehabilitation to the underprivileged beneficiaries. Our beneficiaries include differently-abled children, marginalized orphans & old age destitutes. About 40% of the beneficiaries are orphans. The balance 60% belong to the economically weaker section of the society. VOW has got necessary registration and licences from various Departments of the State Government & Govt. of India.

'Voice of World' was established in 1992. In an effort to serve the Society in a more comprehensive way we started extending our activities to physically challenged orphans, Orthopaedically handicapped, mentally challenged children, marginalized children, elderly persons who do not have any financial/ family support etc. In the past 27+ years we have established a total 24 centres which are located in Kolkata, Puri, Delhi and in the districts of West Bengal in an endeavour to bring back hope and smile into the faces of hundreds of hapless souls, that we house. Today we have around 300 underprivileged residential beneficiaries under Voice of World's care in different centres.

The category wise break-up of the residential beneficiaries is:

	<u>Category of Beneficiaries</u>	<u>No. of Residential Beneficiaries</u>
i)	Visually Impaired:	227
ii)	Orthopaedically Challenged:	6
iii)	Intellectually Challenged:	20
iv)	Multiple Handicapped:	12
v)	Hearing Impaired:	3
vi)	Marginalised Destitute Children/ Orphans:	15
vii)	Old Age Destitutes:	10

One of our core activity is to provide educational support for the vision less and partial vision less students right from Kindergarten up to Master Degree and finally assist them in their social rehabilitation according to their merit and ability. Apart from that a special schooling is undertaken for students with multiple handicap (visual/mental/orthopaedic) for developing their life skills. We find that it is important for them to learn how to live and work independently with dignity. We always strive to provide them adequate education/ training so that the under-privileged can get a place in the main stream of the Society.

We would also like to mention that *we provide fooding, lodging, education, medical assistance, rehabilitation and other necessities of life to all our residential beneficiaries absolutely 'Free of Cost'*. Presently we are having about 300 residential beneficiaries under our care at different centres.

Apart from providing Education/ Educational support to the underprivileged differently abled students we provide Vocational Training, Training & organising Cultural Activities, Training & organizing different sports activities, taking the underprivileged beneficiaries for expedition & trekking.

VOICE OF WORLD

ANNUAL REPORT

2018-2019

This year 2018-19 Voice of World completed 26th year of dedicated philanthropic service to the mankind. Yet another year has passed adding more maturity, skills, good governance and specialization to the organization. It is our privilege that we are sharing you the annual report 2018-2019. This report has come to you with a sense of achievement as it is a collage of our struggles, endurance and success. Our journey began in 1992 with 1 visually impaired student now under the able leadership of Ms. Gargi Gupta, Board Members, dedicated staff members and Volunteers – more than 300 residential beneficiaries (Visually challenged, orthopedically challenged, Intellectually Challenged, Multiple handicapped and orphans) are benefitted. They have taken part in numerous activities successfully. The organization could not have reached to this level of excellence unless actively supported by appreciable number of well-wishers, who also have played an important role in the rehabilitation of the children.

The D.Ed (VI) College has entered into its sixth year under the leadership of the Course Co-ordinator Shri Sukumar Chakraborty and its performance has been commendable. The Students of two academic years 2015-17 and 2016-18 have passed with flying colours and few of them have already been absorbed in the Educational Service of Govt. of West Bengal.

We are proud to mention that more than 2000 students have completed their education so far from this organization/ institute and quite a few have been placed in different fields of service and are now self-reliant.

The activities during the year 2018-19 are appended below:

Special Achievements of 2018-19

- i) Voice of World was awarded the job of printing Dummy Braille ballot papers for W.B Assembly Election by the State Election Commission.
- ii) All visually challenged students who appeared for Madhyamik and Higher Secondary, from Voice of World passed successfully.
- iii) During Feb 2019, four differently-abled students appeared for State Secondary and eleven students appeared for Higher Secondary Examination.
- iv) Shyamali Barua an orthopedically challenged orphan female beneficiary of Voice of World completed D.Ed. Spl. Ed (Multiple Disabilities) from National Institute for Empowerment of Persons with Multiple Disabilities (NIEPMD), Chennai. She made everyone at 'Voice of World' proud when she received the Diploma Citation 6th March, 2019 from the Hon'ble
